

Kaleidoscope Academy Summer Family Newsletter

Hello, KA families!

Kaleidoscope is a hands-on, engaging, arts-integrated charter school that offers students choices in their learning and elective classes. We focus on the whole child and value social-emotional learning. Welcome to KA!

In addition to the AASD Online Registration process on Infinite Campus, Kaleidoscope Academy has a specific registration process. For your convenience, we have a [fully virtual registration process](#).

Visit www.rebrand.ly/KAREg25 to access the KA virtual registration. Scan the QR Code for an instructional video. Please complete the registration by August 22 at 11:59 pm.

If you would like to register in person, visit us the week of August 11-15 between 8am-2pm. We will have computers available for you to complete the AASD and KA registration. Appointments can be made outside of these days/times by calling the main office at 920-852-5430.
