2. Public Comment – None
3. Approval of minutes on 12/10/24. Motion by B. Harrell, seconded by M. Scheinberg. Unanimously approved.
4. Report- Tom to fill in
5. Business requiring Action
 - a. Material and Testing including Special Testing – Motion by F. Amodio, seconded by M. Scheinberg. Unanimously approved.
 - b. Recommended Architectural Added Services – Not presented for consideration. To be taken up later date.
6. **Report on Alternative Site for a new Middle School**

Michael Scott of TSKP STUDIO presented a new concept for a new Middle School. One was a revised plan for the school in Willowbrook, based on a better understanding of parking, parent and bus traffic patterns for placing the building. New lots were included. An additional site option was at the corner of Willowbrook and Ensign. This provides more room, but it is further away from Riverside Magnet School. Issues related to visibility, circulation and the number of affected properties were discussed. No action was taken.

Adjournment – Motion by B. Harrell, seconded by M. Scheinberg. Unanimously approved.
