School-Parent Compact

The purpose of the SCHOOL-PARENT COMPACT, found in Section 1118 of the Public Law 103-382, is to build and foster the development of a school-parent partnership to help all children achieve the State's high standards. Responsibility for improved student achievement will be shared by parents, the child, and teachers.

It is the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective environment that enables the children to meet the state's student performance standards. Each parent is responsible for supporting their child's learning, such as monitoring attendance, homework completion, and television watching; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time.
