“Building a Tradition of Excellence”

OUR MISSION

The Southampton Township School District shall empower our students with the life skills necessary to attain academic excellence while fostering social and emotional growth.

STATEMENT TO THE PUBLIC

Please be advised that often it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases a unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and the Superintendent to assure that the members fully understand the matter. When the committee is satisfied that the matter has been thoroughly researched, it is presented to the Board of Education for discussion prior to any final action being taken. Only then, is it placed on the agenda for action at a public meeting.
