

Lyon County School District Meal Program Information 2025-26

Community Eligibility Provision (CEP) Program

Lyon County School District proudly participates in the **Community Eligibility Provision (CEP)** program. This allows **all students at participating schools** to receive **free breakfast and lunch** every school day — **no household application required**.

Benefits for Families:

- No need to submit meal applications
- Every student has access to nutritious meals
- Supports better focus and overall well-being

National School Lunch Program (NSLP)

In addition to CEP, our schools also participate in the **National School Lunch Program (NSLP)**. Through NSLP, we provide **healthy, well-balanced meals** that meet **USDA nutrition standards**.

Meal Features:

- A variety of fresh fruits and vegetables
- Whole grain options
- Lean proteins and low-fat dairy
- Portion-balanced and age-appropriate servings

Meal Menus with Nutrislice

Our daily and monthly school menus are now available through **Nutrislice**, a user-friendly online platform that allows families to view:

- Complete breakfast and lunch menus
- Nutritional information
- Ingredient and allergen details
