

## *Rehearsal Plans/Music Memorization Checkpoints Summer 2025*

---

- Plan on attending rehearsal having memorized up to the given measure/chart number given below. If you need help, reach out to your section leader and/or Mr. Schmidt.
- Be on time! We'll need to start warmup (outside) each night at 6:30 to max out our rehearsal time.
- If you miss a rehearsal keep up to date on memorization. Be ready for the next rehearsal.
- Stay current on your memorization. If you get behind, you'll have double the work to do.
- If we get rained out of a rehearsal, we'll plan on rehearsing music indoors.
