

## **I'm new to West. Will there be any type of orientation for new families coming to West?**

Parents/Students are invited to an orientation meeting on Tuesday, August 5<sup>th</sup> at 5:30pm in our FWE Cafeteria with FWE Administration to learn more about our wonderful school! This is just a quick 30-minute introductory meeting to help our new families as they transition to West.

## **I have a Kindergarten student, is there some type of orientation?**

With our teacher reveal and Meet the Teacher on August 7<sup>th</sup>, you and your child will learn all you need to know to be ready to start an amazing Kindergarten year! FWE PTO is sponsoring a Kindergarten Popsicle Play Date for all kinders and their parents on Sunday, August 10<sup>th</sup> at 4:30 at the FWE playground. What a "sweet" opportunity for our students to meet each other as well as parents to meet other Kinder parents!

## **Is there a PreK Orientation?**

PreK teachers will be reaching out by phone to each parent later in the month of July with information. Along with that phone call, digital reveal, and meet the teacher, you and your child will be ready to start the year!

## **How can I find more information or make sure to stay updated with all the happenings at West?**

Facebook is an important resource we use to get information out to parents as well as text, email, and our school website. When you register your child, make sure you click the box to receive notifications, especially through text. We value our parent partnership and want to make sure we communicate effectively to help you and your child.

I will send another Parent Q & A later this month with more tidbits of information. We can't wait to see all of you at Meet the Teacher, Thursday, August 7<sup>th</sup>. It's going to be an AMAZING year!
