Tryouts: There are no tryouts! :) Everyone is welcome, including those who have never danced before!

Requirements: There are no prerequisites. During the school year, students dress out each day so that they can move freely.

Practice information: All practices happen during class time, except for the week of the spring recital. There are two after school commitments in April for that. Dates will be determined in May, and will be posted on Instagram.

Summer information: There is no summer practice.

Other information: Students receive a fine arts credit for this class. We start the year with ballet, but we do a lot of different styles of dance throughout the year (and in Dance II-IV if you choose to stay with the class!).
