

Gifted Education Program Notice

In order to qualify for gifted education services in Georgia, a student must show exceptional performance in the areas of mental ability, achievement, creativity, and motivation. In Jefferson County, all students in grades K-12 are screened for possible referral for gifted education services each year. A student may also be referred for consideration for education services for the gifted by teachers, counselors, administrators, parents or guardians, peers, self and other individuals with knowledge of the student's abilities. Referral forms are available in each of the school offices or they may be obtained from Mrs. Dana D. Williams at the Board of Education Office at 1001 Peachtree Street in Louisville. The Gifted Administrative Manual is located on the school system's website at <http://www.jefferson.k12.ga.us>, under Divisions, under Teaching and Learning.
