COURSE DESCRIPTION:

This course is a modified English 3 course taught by an education specialist teacher with a reduced student to teacher ratio. The course provides a foundational pathway that supports the needs of students whose academic performance, including proficiency in English language arts and literacy in reading and writing, is two or more years below grade level. The materials in this program are designed so students receive grade-level instruction while providing a rich curriculum supporting the five themes of the California ELA/ELD Framework: Meaning Making, Language Development, Effective Expression, and Content Knowledge. This course also includes a particular emphasis on academic vocabulary acquisition and reading comprehension, fluency, and foundation skills. Specialized Academic Instruction is employed, adapting as appropriate in accordance with student IEPs, the content, methodology, or delivery of instruction to ensure student access to the general curriculum.
