DUNWOODY REGAINS ALL-SPORTS TROPHY

Impressive results almost across the board elevated Dunwoody to the top of the DeKalb County All-Sports Trophy race last year. The Wildcats captured all-sports honors for the 16th time in school history, moving them one victory past Lakeside (15) for most team titles since the inception of the award in 1981-82.

Final All-Sports Trophy Point totals:

1) Dunwoody.....	317.5
2) Lakeside	304.0
3) Chamblee	293.5
4) Druid Hills	248.5
5) Southwest DeKalb	242.5
6) Tucker	217.5
7) Arabia Mountain	192.5
8) Redan	181.5
9) Stephenson	176.0
10) Columbia.....	156.5
11) Cedar Grove.....	153.0
12) Clarkston.....	143.5
13) Miller Grove	137.5
14) Martin Luther King Jr.	117.5
15) Lithonia.....	112.0
16) Towers	105.0
17) Stone Mountain.....	103.0
18) Cross Keys	61.0
19) McNair	49.5

GOLF HISTORY

The state golf tournament began as an open event in 1938, with Newnan coming away with the team trophy in a field that featured boys teams only. Canton and Griffin later captured the last two open titles in 1941 and 1942.

The Georgia High School Association, meanwhile, officially sanctioned the first state tournament in 1943, as Lanier claimed the state Class A team title and Albany prevailed in a combined state Class B and state Class C field.

The boys state tournament has since been held on a continuous basis for a total of 74 years through the 2016 competition. The top two region finishers qualify for the state tournament. Individual low medalist at region also qualify for state, even if that golfer is not on one of the top two team finishers.

The first girls state tournament, on the other hand, was officially sanctioned by the Georgia High School Association in 1998.

McIntosh (AAAA), Hardaway (AAA), Lovett (AA) and Brookstone (A) snared the first state team trophies in their respective classifications.

Only the region champions qualified for the state tournament in the first three years from 1998-2000, but the second place team also advanced starting in 2001. Individual low medalist at region will also qualify for state, even if that golfer is not on one of the top two team finishers.

DeKalb County has long fielded competitive teams on the state level, highlighted by three state championships claimed by three different boys squads.

Avondale started the local victory parade with a AAA title in 1965, followed by triumphant efforts by Lithonia in AA in 1977 and Druid Hills in AA in 1986.

Henderson also nearly won state three straight times in the late 1970s, losing out on a playoff on one occasion while finishing third or higher in each of those campaigns.

Lakeside likewise annually made a push for state honors under coach **Dwight Norris** throughout the 1970s, while Chamblee, Dunwoody, Peachtree, Redan, Stone Mountain and Tucker are among many others that have also made their presence felt on the county, region and state levels at various times over the last three decades.

Dunwoody ruled the local roost for most of the 1990s, winning the county tournament in 1990, 1991, 1994 and 1995. The Wildcats also rolled off nine straight Region 7AAAA titles from 1990-98. The best state finish during that period came in 1991, when Dunwoody claimed sixth in the AAAA battle.

Walker Kimbell served as head coach of the Wildcat machine through the 1996 season, while **Michael Daniel** was at the helm for the final two region crowns in 1997 and 1998.

Individually, **Michael Griffin** led a parade of stars in posting low medalist honors at the Region 7AAAA tournament four straight times from 1994-97. **Tom Otero** also won low medalist in 1991 with a sizzling 70.

Lithonia enjoyed strong success in the early 1990s, highlighted by a 1992 campaign that included winning county and Region 6AAA trophies and placing 15th at the state Class AAA showdown.

Larry Ballard served as head coach for the Bulldogs, while **Jody Hoek** and **Mac Brown** won low medalist honors at county (79) and region (79) respectively. Lithonia also finished second in Region 6AAA in 1991.

Druid Hills won county in 1993 under the leadership of coach **Hugh Tankersley**. The Red Devils also placed first in 6AAA in 1991, second in 6AAA in 1992 and first in 5AA in 1993 with Tankersley as coach. Druid Hills realized another region title in 5AA in 1994, with **Karen Helfrich** serving as coach. **William Pettys** led the individual charge.

Chamblee snared Region 5AA honors in 1992 under the charges of coach **Ken Townsel**. **Mark Pinson** took low medalist honors individually at that battle with a solid 86 round.

The Bulldogs returned to state again following runnerup performances behind Lovett in 5AA in 1995 and 1996. **John Lafleur** coached the 1995 unit, while Townsel returned to take the lead role in 1996.

Stone Mountain put up several strong performances during the 1990s. The highlight came during the 1991 season, where the Pirates placed second at county and in Region 7AAAA and then took 13th at state.

Coach **Derald Long** was led by **Kanon Parkmon** (81) at county and **Jason Luckey** (75) at region. Parkmon also fired a team-best 155 total over 36 holes at state, shooting consecutive rounds of 78 and 77.

Long also guided the Pirates to a runnerup finish in 7AAAA and state berth in 1992, while coach **Scott Luther's** 1995 team placed second at the county war.

Other boys state qualifiers in the decade from DeKalb County included Redan under Ballard in 1993 and 1994, Henderson under **Jack Waters** in 1994, Lakeside under **John Hogan** in 1997 and under **David Hosking** in 2001 and 2002 and Southwest DeKalb under **Fred Dawston** in 2001 and 2002.

Redan also placed second at county in 1993, while Dunwoody and Henderson likewise snared runner-up honors in 1992 and 1994 respectively.

Dunwoody has taken center stage among local girls entrants, claiming consecutive region titles in 7AAAA in 2000 and 5AAAA in 2001.

Hosking also guided Lakeside to the girls Region 7AAAAA crown in 2001 and 2003 and second in 2002, while Dawston's Southwest DeKalb Panthers made state as the Region 7AAAAA runnerup in 2001.

ARABIA MOUNTAIN HIGH SCHOOL

6775 South Goddard Road

Lithonia, GA 30038

(678) 875-3602

Principal - Tanya Mason

Nickname - Rams

REGULAR SEASON AND TOURNAMENT INFORMATION

A. Golf is a state championship event for boys and girls held on an Area basis in Classes 1A through 7A. Each class in 2A through class 7A will be divided into four Areas by combining two regions. Area assignments can be found on the Golf Home Page at www.ghsa.net. An Area Coordinator should be assigned by the two combined regions to schedule and direct the area golf tournament. In Class A, four Areas will be assigned after separating into Division 1 and Division 2. An Area Coordinator should be assigned to schedule and direct the area tournaments. In addition to team competitions, there is also an individual competition.

B. All GHSA golf matches shall be conducted in accordance with the “Rules of Golf” as published by the United States Golf Association (USGA). Exceptions specific to all GHSA competitions include:

1. Players may use push/pull carts in regular season and post season matches. Motorized carts or caddies are not permitted.

2. Range finders and GPS devices will be allowed in match and tournament play with the following stipulations:

(a) In each grouping (2-4 players), if any player uses a “range finder” then all players will have access to the distance information.

(b) Any player using a device who does not share the distance information with other players in his grouping, when asked, will be subject to disqualification for a serious breach of etiquette.

(c) GPS devices on cell phones or wrist watches are NOT permitted under penalty of disqualification.

(d) Single function GPS devices that measure distance are allowed. Any device that performs multiple functions may be used for distance only. Use of any other functions will lead to disqualification.

(e) Smart Phones/Watches that include yardage book applications may be used during play. Any use of these devices is limited to scoring as well as what is covered under the USGA rules that govern “artificial devices.”

3. The use of spectator carts will be based upon their availability at each course. Only spectators with a legitimate handicap will be allowed to rent a cart when there is a limited availability.

C. Notification of entry (“Contestants List”) must be submitted electronically to the GHSA office by April 14, 2023, and the form is found on the GHSA web site. A school may list the allowed number of team members, plus up to four (4) alternates. Lineup changes and/or substitutions may be made at the Region/Area and/or State level using only those players listed on the entry form submitted to the GHSA. (See deadline under State Tournament heading.)

D. The number of matches allowed (excluding region, sectional and state tournaments) is twelve (12) playing dates.

1. A 9-hole match played prior to the last play date will count as 1/2 playing date.

2. Schools may use one (1) Saturday during the regular season as a playing date that does not count as one of their twelve (12) allowed play dates.

E. Beginning and ending dates for practice and competition can be found at the front of this publication.

1. There will be no interschool practice or scrimmages in golf.

2. A golf match may not begin prior to the end of the school day with the exception of post-season tournaments.

F. A maximum of two (2) golf coaches may confer with their golfers anywhere on the course with the exception of the greens, so long as there is no delay in play. Note: Conversations with or suggestions from any other person is prohibited (First violation: warning. Second violation: 2-stroke penalty. Third violation: disqualification).

G. In the event that a match ends in a tie during the regular-season or post-season competition, a “team sudden-death playoff” will be used.
