Ascension St. Vincent cardiovascular care program overview and frequently asked questions

What is the Ascension St. Vincent cardiovascular care program?

- High-quality specialty care offered through your employer at no cost to you as part of your health benefit plan.
- Comprehensive cardiovascular care, including testing, surgeries and procedures performed at designated locations.
- A program available to active members of participating employer health plans.

What services are included through the cardiovascular care program?

- Appointments, testing, surgeries and procedures at approved facilities.
- Advanced cardiac imaging, including computed tomography (CT) and magnetic resonance imaging (MRI).
- State-of-the-art catheterization labs and operating rooms.
- Emergency heart services and complex surgical care.

What is not included in the program?

- Testing done at unapproved facilities or offices.
- Services at other Ascension hospitals, such as those in Fishers, Indianapolis, Evansville or other locations.

Why should I participate in the cardiovascular care program?

- Experience world-class service and the highest quality cardiovascular care available in Indiana.
- Excellent procedural and surgical outcomes, decreased hospital time and quicker recovery.
- Comprehensive post-surgical care to ensure quality of life is restored.
- Lower costs for you and your family.
- Zero deductible, copay or coinsurance costs.
- Potential for incentive payments from your employer for choosing the Ascension heart care team.

Do I have to use this program?

- This is not a mandatory program. You always have the choice to use this program or seek care elsewhere through your primary health benefits.

What if I already have a non-Ascension cardiologist?

- Their services are not covered under this program, your regular deductibles and costs will apply for their services.
- Explain our incentive benefits program to your provider.
- Your current cardiologist can collaborate with our team at the Heart Center.
- You can request a referral to the Ascension St. Vincent heart care team.

Do I need a referral from my primary care provider?

- No referral is needed, you may directly call the concierge line to schedule an appointment.

How much will services in this program cost me?

- Deductible and coinsurance costs are waived for eligible care under this program.
- Incentive payments may be available for participation in the program when utilizing services.

What if I am having symptoms of a cardiovascular emergency?

- Go directly to the closest ER or dial 911.

To access services, follow these steps:

Step 1

Call 855-782-0946 to schedule an appointment. State you are a member of the cardiovascular care (heart care) program. The concierge will connect you to an approved Ascension St. Vincent cardiology office.

Step 2

Consult with the Ascension St. Vincent cardiology doctor to plan your care.

Step 3

Schedule additional services at approved Ascension Cardiology locations. The cardiology office(s) will provide education and preparation for any testing, procedures and/or surgery.

Step 4

If needed, complete recommended tests or imaging at an approved Ascension Cardiology location and schedule procedures and/or surgeries at Ascension St. Vincent Heart Center.

Ascension St. Vincent Heart Center — globally recognized heart care

Finding the best care for you starts with a conversation between you and an Ascension St. Vincent doctor. What sets us apart is our unrelenting commitment to advanced and high-quality care in our community.

- #1 in Indiana and #2 in the country for cardiac care based on Money's Best Hospitals for Cardiac Care (2024)
- Recognized as 1 of the 6 best hospitals in the United States for cardiology by Newsweek (2020, 2021)
- Recognized by Newsweek and Statista as a "World's Best Specialty Hospital" – four years straight (2020, 2021, 2022, 2023)
- Listed as a Top 100 hospital in Becker's Hospital Review "100 hospitals and health systems with great heart programs" (2023)
- Recognized by Healthgrades as one of America's 50 Best Cardiac Surgery Programs (2021, 2022, 2023)
- Received a 2023 Specialty Excellence Award from Healthgrades, which demonstrates Ascension St. Vincent Heart Center's excellent clinical outcomes for heart bypass surgery, and heart valve surgery
- Ranked the #1 community hospital in the 2023 Fortune/PINC AI 50 Top Cardiovascular Hospitals listing (previously known as IBM Watson/Fortune Top 50, in which it was also named 2020-2022))
- Since the inception of the star-ranking program, Ascension St. Vincent Heart Center has maintained a 5-star hospital ranking by the Centers for Medicare and Medicaid Services (CMS, 2023)
- CMS ranked Ascension St. Vincent Heart Center #1 in the country for quality outcomes and patient experience (CMS, Peer Group 5, 2023)
- Received 4 out of 5 stars for Patient Experience. 85% of patients "would definitely recommend the hospital" compared to the state and national average of 71% and 69% respectively.
- CT Quality Award Recipient: Ascension St. Vincent Heart Center is in the top 10% of global medical centers providing patients with a better pathway for identifying and understanding their heart health by utilizing coronary CT and FFR. (2020, 2021, 2022, 2023)
