July 22, 2025

Dear Wallkill Community,

Last evening, the Board of Education approved the new Cell Phone Policy that will be in place for the upcoming school year. For your reference, the policy is attached to this letter and is posted on the district website.

As shared in a previous letter dated June 20, 2025, the development of this policy was a collaborative effort involving students, parents, teachers, administrators and a board member. The committee worked to ensure the policy aligns with the requirements of the legislation signed by Governor Hochul on May 9, 2025, and reflects the feedback from the committee. We understand that the transition to no cell phone use will be a challenge, especially for the high school students, however, we are here to support our students with the transition.

We are hosting a Parent Engagement Night to review the policy and to provide you with an opportunity to ask questions. The Parent Engagement Night will be on Tuesday, August 19, 2025, at 6:00 P.M. in the high school auditorium. It will also be available via live stream through our district website. In addition, the policy will be reviewed with the students on the first day of school.

Thank you for your continued support and partnership!

Sincerely,

Anthony White
Assistant Superintendent for Educational Services
Wallkill Central School District
