

Hey KMS families! To help keep our students safe and our traffic flowing smoothly, please take a moment to review our drop-off and pick-up procedures:

Morning Drop-Off

- Campus opens at **7:50 AM**, and gates close at **8:18 AM**.
- Use the **KMS Parking Lot Entrance** (see map below) for both drop-off and parking.
- Follow the arrows and **pull all the way forward** in your chosen lane to keep things moving.

Late Arrivals

- Students arriving after 8:18 AM should check in at the **front office**.

Afternoon Pick-Up

- Follows the same procedure as drop-off.
- Students should head **directly to buses or parent pick-up** areas.
- Athletes and after-school participants will exit from the **back of their building** to go straight to their activity.

Parking Reminder

Please **do not park along Carver Road**: police will ticket cars.

You may also use additional pick-up areas on the **west side of Waggoner Park**.

Thanks for helping us keep arrival and dismissal safe and stress-free!
