

MEET THE COUNSELOR

WELCOME FAMILIES...

Hello Families,

My name is Katrina Tilmon, and I am honored to serve as your school counselor. I'm excited to work with your children during the upcoming school year and support them in reaching their fullest potential.

This year marks my 30th year with Houston ISD and my 20th year as a school counselor. I bring experience from both the elementary and high school levels, and I am deeply passionate about helping students grow academically, socially, and emotionally.

In addition to supporting students, I am here for parents and the community as well. Together, we can build strong partnerships that help our students thrive in and out of the classroom.

I look forward to a great year ahead and to working with each of you!

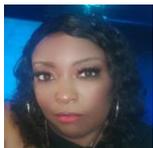

Warm regards,
Katrina Tilmon
