We are dedicated to protecting our employees' information. For this reason, we use [Verifent](#) to confirm verification of employment and/or verification of income (VOE/VOI) requests are legitimate, and a valid permissible purpose exists as defined by the [Fair Credit Reporting Act](#) (FCRA). Verifiers seeking employment and/or income information for our employee's must submit VOE/VOI requests through Verifent.

To Submit a Request:

1. Visit www.Verifent.com, click 'Get Started,' and click 'Login' under Verifiers. Please note that new Verifent users will need to register and create an account before proceeding.
2. When prompted, enter our unique Organization Code located above.
3. Please be prepared to provide the employee's date of birth and last four digits of the Social Security Number.

For additional information on this process, please visit [Verifent](#).
