

NO Left Turns into Indian Woods Car Line

NO left turn sign is posted for busy times

This will allow:

- Thru traffic both ways on 97th.
- Steady flow for entering the car line into the parking lot.
- Traffic to exit the school parking lot in both directions safer.
- Students to cross 97th St. with less congestion of traffic.

Follow highlighted [Blue Route](#) to enter the car line.

Be Prepared to Enter the Car Line

Help make the line move faster.

- Grab backpack, lunch, water bottle, instrument, laptop, etc.
- Drop off at blue cone locations only.
- Unbuckle seat belt when you get turned into the parking lot.
- Don't forget to say your positive message to your student.

Drop off at Blue Cones Only

Always pull up to furthest open cone.

- All 7-8 cars unload at the same time
- All 7-8 cars pull out at the same time
- Next 7-8 cars replace and repeat the process.
- Stay in the right lane to drop off students near the sidewalk

No dropping off in the Left lane

- Avoid having students cross the moving Right lane
- Keep our students safe

Need More Time/Unload Spots

Use Left Lane Only to Park to Unload

- Use unloading zone shown or parking spots available

Examples of when to use:

- If your student needs to get things out of the back of the car.
- If you have 7 seats full of extra riders
- If you still need to have a 5 minute conversation
- If you are planning on getting out of the car to help your student load up

#Be Respectful

Use Caution when Entering and Exiting

Stay Alert

- Cell phones down and eye up.
- Always looking for students walking/running around.
- Stop when leaving the lot and look both ways.

Possible Pickup Locations

Pay Attention to the No Parking Signs

- Allow the thru traffic to happen by not parking on both sides
- Make your pickup location be Horton St. or Woodson Dr.
- You don't have to get in line to pick up student by the door.
- Students can walk to where you are parked.
- Remind students to cross streets carefully.
