EMERGENCY SCHOOL BUS EVACUATION DRILL

The laws of Mississippi and our national and community safety require that two emergency school bus evacuation drills are conducted annually. You are therefore directed to set-up and conduct a minimum of one emergency drill each semester of the school year.

As evidence of our full compliance with the law and as a matter of public record each principal is to conduct a minimum of two bus evacuation drills during the school year. Immediately after each bus evacuation drill, the principal will complete the following information, sign the written notice below, and send it to the Director of Maintenance and Transportation.

I hereby certify that an emergency school evacuation drill was held at

_____ _____

School Date

These drills were conducted on Bus #_____

Drill #1	Exit front and back door	_____ Seconds
Drill #2	Exit back door only	_____ Seconds
