## **SECTION III: Godley Middle School**

This section describes policies specific to Godley Middle School.

# **ACCEPTABLE USE OF DISTRICT TECHNOLOGY RESOURCES**

To prepare students for an increasingly technological society, the district has made an investment in the use of district-owned technology resources for instructional purposes; specific resources may be issued individually to students. Use of these technological resources, which include the district's network systems and use of district equipment, is restricted to approved purposes only. Students and parents will be asked to sign a user agreement (separate from this handbook) regarding use of these district resources. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

## **UNACCEPTABLE AND INAPPROPRIATE USE OF TECHNOLOGY RESOURCES**

Students are prohibited from possessing, sending, forwarding, posting, accessing, or displaying electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal. This prohibition also applies to conduct off school property, whether the equipment used to send such messages is district-owned or personally owned, if it results in a substantial disruption to the educational environment.

Any person taking, disseminating, transferring, possessing, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content, commonly referred to as "sexting," will be disciplined according to the Student Code of Conduct, may be required to complete an educational program related to the dangers of this type of behavior, and, in certain circumstances, may be reported to law enforcement. Because engaging in this type of behavior can lead to bullying or harassment, as well as possibly impede future endeavors of a student, we encourage you to review with your child ['Before You Text' Sexting Prevention Course](#), a state-developed program that addresses the consequences of engaging in inappropriate behavior using technology.

In addition, any student who engages in conduct that results in a breach of the district's computer security will be disciplined in accordance with the Student Code of Conduct, and, in some cases, the consequence may rise to the level of expulsion.

## **GISD ELECTRONIC COMMUNICATIONS SYSTEM ACCEPTABLE USE POLICY**

Godley Independent School District offers Internet access for students and teachers primarily for educational purposes that allow access to expert knowledge transmitted through a variety of media. The use of the Internet is a privilege, not a right, and inappropriate use may result in a

cancellation of those privileges. This document contains the Acceptable Use Policy (AUP) of the district for using the GISD Electronic Communication System (ECS or system). The District will provide training in proper use of the ECS which will emphasize the ethical and safe use of the Internet. The District will provide all users with copies of this policy through the student handbook and District's website.

Access to the District's Electronic Communications System shall be made available to students and employees in accordance with administrative regulations and all users are subject to the policies stated within this document. Access to the District's ECS is a privilege not a right. There can be no guarantee of privacy and some sites may contain information that is inaccurate or offensive to some users. All users shall be required to acknowledge receipt and understanding of all administrative regulations governing use of the ECS and shall agree in writing to comply with such regulations and guidelines. Noncompliance with applicable regulations will result in disciplinary action consistent with District policies and regulations. Violations of law may result in the matter being turned over to the authorities and criminal prosecutions followed as well as disciplinary action by the District.

The Superintendent or designee will oversee the District's Electronic Communication System. Any violation of the purpose and goal of the District's network is considered inappropriate use. The system's administrators with review by the Superintendent, as needed, will deem what is inappropriate use of the ECS and their decision is final. Additionally, the system administrators may close an account at any time.

Parents of all minor students will have the opportunity to restrict their child's access to the Internet or the posting of their images. Failure to actively restrict access will be considered acceptance of ECS usage and consent to post their images.

## MONITORED USE

Electronic mail transmissions, Internet browsing and all other use of the ECS by students and employees shall not be considered confidential and may be monitored at any time by designated staff to ensure appropriate use of the District's system for educational or administrative purposes.

## FILTERING

The District will maintain appropriate technology for filtering Internet sites containing material considered inappropriate or harmful to minors in compliance with the Children's Internet Protection Act (CIPA). All Internet access will be filtered to minors and adults as appropriate on computers with Internet access provided by the school.

System users and parents of students with access to the District's ECS should be aware that despite the District's use of technology protection measures, the Internet is a global network that may contain inaccurate and/or objectionable material. It should also be understood that

material objectionable to some individuals may not be objectionable to others and the final determination if necessary will be made by the Superintendent and District Administration.

## SYSTEM ACCESS

Access to the District's electronic communications system is a privilege, not a right.

All users shall be required to acknowledge receipt and understanding of all administrative regulations governing use of the system and shall agree in writing to comply with such regulations and guidelines. Non-compliance with applicable regulations will result in disciplinary action consistent with District policies and regulations. Violations of law may result in criminal prosecutions as well as disciplinary action by the District.

Access to the District's electronic communications systems will be governed as follows:

1. As appropriate and with the approval of the immediate supervisor, District employees will be granted access to the District's system.
2. Students in grades PK through 12 will be granted access to the District's system by their teachers, as appropriate.
3. Students in grades 2 through 12 will be assigned individual accounts
4. As deemed necessary by the Technology Coordinator or campus designee.

Any system user identified as a security risk or having violated the District and/or campus computer use guidelines may be denied access to the District's system.

## SCHOOL CONTROL

The Superintendent or Technology Director will oversee the District's electronic communication system. The principal or designee of each campus that affords students telecommunication network access shall cause records to be maintained that include:

1. A yearly acknowledgement of technology policies signed by a parent or other responsible adult for each student who is afforded telecommunication access; all relevant passwords.
2. A denial of permission for Internet access should parents decline the student's access to such.
3. Codes, account numbers, etc., provided to such students in connection with telecommunication access.

The principal or designee is authorized to monitor or examine all system activities deemed appropriate to ensure proper use of the system. The district reserves the right to search the activities on the computer or device of any user of district owned computers or devices when reasonable suspicion dictates the need to do so.

## CHROMEBOOK RULES

Chromebooks will be covered in a separate document and must be signed off on by students and parents.

## DISTRICT RESPONSIBILITY

## SOCIAL MEDIA POLICY FOR FACULTY AND STAFF

The Godley Independent School District realizes that part of 21st century learning is adapting to the changing methods of communication. The importance of teachers, students and parents engaging, collaborating, learning, and sharing in these digital environments is a part of 21st century learning. To this aim, Godley Independent School District has developed the following guideline to provide direction for instructional employees and the school district community when participating in online social media activities. Free speech protects educators who want to participate in social media, but the laws and courts have ruled that schools can discipline teachers if their speech, including online postings, disrupts school operations. The Godley Independent School District social media guidelines encourage employees to participate in online social activities. But it is important to create an atmosphere of trust and individual accountability; keeping in mind that information produced by Godley Independent School District teachers and students is a reflection on the entire district and is subject to the district's Acceptable Use Policy. By accessing, creating or contributing to any blogs, wikis, or other social media for classroom or district use, you agree to abide by these guidelines. Please read them carefully before posting or commenting on any blog or creating any classroom blog, wiki, podcast or any type of social media.

### PERSONAL RESPONSIBILITY IN USE OF SOCIAL MEDIA SUCH AS FACEBOOK, BLOGS, WIKIS AND TWITTER

- Godley Independent School District employees are personally responsible for the content they publish online. Be mindful that what you publish will be public for a long time—protect your privacy.
- Your online behavior should reflect the same standards of honesty, respect, and consideration that you use face-to-face, and be in accordance with the highest professional Standards.
- Remember that blogs, wikis, podcasts and all other social media are an extension of your classroom. What is inappropriate in your classroom should be deemed inappropriate online.
- The lines between public and private, personal and professional are blurred in the digital world. By virtue of identifying yourself as a Godley School District employee online, you are now connected to colleagues, students, parents and the school community. You should ensure that content associated with you is consistent with your work at Godley School District.
- When contributing online do not post confidential student information.
- By posting your comments or having online conversations etc. on social media sites you are broadcasting to the world. Be aware that even with the strictest privacy settings what you 'say' online should be within the bounds of professional discretion. Comments expressed via social networking pages under the impression of a 'private conversation' may still end up being shared into a more public domain, even with privacy settings on maximum.

- Comments related to the school should always meet the highest standards of professional discretion. When posting, even on the strictest settings, staff should act on the assumption that all postings are in the public domain.
- Before posting photographs and videos, permission should be sought from the subject where possible. This is especially the case where photographs of professional colleagues are concerned.
- Before posting personal photographs, thought should be given as to whether the images reflect on your professionalism.
- Photographs relating to alcohol or tobacco use may be deemed inappropriate. Remember, your social networking site is an extension of your personality, and by that token an extension of your professional life and your classroom. If it would seem inappropriate to put a certain photograph on the wall - is it really correct to put it online?
- Remember your association and responsibility with the Godley School District in online social environments. If you identify yourself as a Godley District employee, ensure your profile and related content is consistent with how you wish to present yourself with colleagues, parents, and students. How you represent yourself online should be comparable to how you represent yourself in person.
- Be cautious how you set up your profile, bio, avatar, etc.

## AN EMPLOYEE WHO USES ELECTRONIC MEDIA TO COMMUNICATE WITH STUDENTS SHALL OBSERVE THE FOLLOWING:

- If an employee chooses to communicate with students via a social network page regarding school matters, the employee must create a professional social network page or account and only communicate through this professional page. The employee must allow district and campus level administrators and parents to access these social network pages or accounts. GISD employees are prohibited from communication with students through a personal social network page with one exception. Employees who are also parents of students can “friend” their child or child’s friend from a personal site; but this is not recommended by the district.
- Employees are prohibited from following students on student social media accounts.
- The employee shall limit communications to matters within the scope of the employee’s professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators.
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with any one or more currently-enrolled students.

- Upon written request from a parent or student, the employee shall discontinue communicating with the student through email, text messaging, instant messaging, or any other form of one-to-one communication.
- The employee will not put up any image of students who have not signed a media release form.
- Respect copyright and fair use guidelines. Be sure not to plagiarize and give credit where it is due. When using a hyperlink, be sure that the content is appropriate.

## **AWARDS AND HONORS (ALL GRADE LEVELS)**

Qualifying students will be recognized during the end of year awards assembly. Academic awards will take into consideration academic achievement, citizenship, attendance, or discipline history. Classroom and/or department awards will be nominated by the teachers and can include outstanding student, most improved student, or hardest worker.

## **WEIGHTED AVERAGES**

Students taking an advanced class will have their class average weighted and will count more in the determination of overall average for awards and recognition purposes only. High school level classes are considered advanced classes.

## **VARSITY TEAMS LETTER JACKET REQUIREMENTS**

Requirements for letter jackets will vary by coach, event, and student participation. Letter jackets can be earned through extracurricular activities such as Art VASE, Athletics, Band, Cheerleading, CTE, FFA, Fishing, UIL Academics, and UIL One Act Play.

## **CREDIT BY EXAMINATION**

### **IF A STUDENT HAS TAKEN THE COURSE/SUBJECT**

A student who has previously taken a course or subject—but did not receive credit or a final grade for it—may, in circumstances determined by the principal or attendance committee, be permitted to earn credit by passing an exam approved by the district’s board of trustees on the essential knowledge and skills defined for that course or subject. Prior instruction may include, for example, incomplete coursework due to a failed course or excessive absences, homeschooling, or coursework by a student transferring from a non-accredited school. The opportunity to take an examination to earn credit for a course or to be awarded a final grade in a subject after the student has had prior instruction is sometimes referred to as “credit recovery.”

If the student is granted approval to take an examination for this purpose, the student must score at least 70 on the exam to receive credit for the course or subject. The attendance review committee may also offer a student with excessive absences an opportunity to earn credit for a

course by passing an exam. [For further information, see the school counselor and policy EHDB(LOCAL).]

## IF A STUDENT HAS NOT TAKEN THE COURSE/SUBJECT

A student will be permitted to take an exam to earn credit for an academic course or subject area for which the student has had no prior instruction, i.e., for advancement or to accelerate to the next grade level. The exams offered by the district are approved by the district's board of trustees, and state law requires the use of certain exams, such as College Board Advanced Placement (AP) and College Level Examination Program (CLEP) tests, when applicable. The dates on which exams are scheduled will be published in appropriate district publications and on the district's website. The only exceptions to the published dates will be for any exams administered by another entity besides the district or if a request is made outside of these time frames by a student experiencing homelessness or by a student involved in the foster care system. When another entity administers an exam, a student and the district must comply with the testing schedule of the other entity. During each testing window provided by the district, a student may attempt a specific exam only once.

If a student plans to take an exam, the student (or parent) must register with the school counselor no later than 30 days prior to the scheduled testing date. [For further information, see policy EHDC.] Results from these exams will impact the next school year. Students will not be promoted during a school year. The student must score at least 80 on the exam to receive credit for the course or subject.

## CREDIT RECOVERY

### SUMMER CREDIT RECOVERY PROGRAM

This program is designed for students who have failed 1-2 core academic classes for the year or failed to meet the district's attendance requirements. Students that fail 3 or more core subjects will not be eligible to participate in this program and will be retained in their current grade.

This program will be conducted during the month of June from 8:00 a.m. to 12:00 p.m. daily, Monday through Friday and may conclude prior to July 4th. Tuition costs may be up to \$100 per class.

To successfully receive credit for the course, the student's summer school grade will be averaged with their final grade from the regular school year. The regular term grade will count 55% and their summer school grade will count 45%. To be considered for promotion, the student's combined average must be 70 or higher. Students must also be present for 90% of the days summer school is in session to obtain credit. Students that are removed from class for disruptive behavior will be dismissed from this program and be retained in their current grade.

## **SATURDAY SCHOOL**

Students with excessive absences and/or tardies will be required to attend Saturday School Sessions to make up contact hours. Saturday School hours will be from 8:00-12:00 on scheduled days. At 8:05, the school doors will be locked and no one will be permitted in after that time. Students that fail to attend scheduled sessions will be subject to truancy prevention measures and/or truancy sanctions for attendance violations and may have to appear in court.

## **DISCIPLINE MANAGEMENT PLAN**

Policies outlined in the Student Code of Conduct document apply.

The policy of discipline of the Godley Independent School District is to preserve order and maintain a climate conducive to learning. The right of every pupil to the opportunity to learn and every teacher to teach free of disruption and misconduct of others shall be vigorously protected.

To this end all school officials shall have authority to take prompt, appropriate, and effective action to abate any disruption of the educational process, to protect the health, safety, and welfare of all, and to administer appropriate punishment for wrongdoing. In taking such action the constitutional rights of individuals shall be observed and protected.

- A. Students will be respectful and obedient to those in authority. They will also be considerate of schoolmates, orderly, punctual, industrious, neat and clean of person, and moral in habits.
- B. Students will leave the school grounds immediately upon being dismissed, will go to and from school in an orderly manner and without delay and will refrain from interference with other pupils on the way to and from school.
- C. Students of one school will not visit the building or grounds of another school while the latter is in session except with the permission of the principals of both schools. Damage or disturbance at one school by a pupil from another school will be considered a most serious offense.
- D. These policies concern pupil conduct in the classroom, in the school building, or on the school grounds and relate to school activities whether curricular or extracurricular.

## POLICY PRINCIPLES

1. Objectives of the policies pertaining to pupil behavior are:
  - a. To facilitate teaching and learning in the classroom
  - b. To assist in the development of proper attitudes toward law and order in the schools and community
  - c. To educate youth to observe accepted rules of conduct
2. Acts of behavior which tend to undermine the purpose of the school's educational program or which are adverse to the welfare of other pupils will not be tolerated.
3. Respect for constituted authority and obedience is an essential lesson to qualify one for the duties of citizenship, and the classroom is an appropriate place to teach and stress that lesson.

### Glossary:

**DAEP** – Disciplinary Alternative Education Program

**OSS** – Off-School Suspension

**TAP** – Temporary Alternative Placement or (ISS) In-School Suspension

**SRO** – School Resource Officer

**\*\* ANY VIOLATIONS NOT LISTED ARE LEFT TO THE DISCRETION OF THE ADMINISTRATION. \*\***

**ADMINISTRATION HAS THE RIGHT TO ALTER OR CHANGE ANY ACTION TAKEN ON COMMITTED INFRACTIONS.**

Any student that is in suspended status (ISS, OSS, or DAEP) may not participate or attend any after school or extracurricular activities or programs.

Any student that accumulates 10 days of in school suspension, home suspension or any combination of the two in one school year, may be placed in DAEP for serious and persistent misbehavior by administration.

Any student assigned to DAEP twice in one school year will serve a minimum 60 day placement for the second term assigned.

Neither the school district nor its personnel shall be liable for damage to nor loss of student's personal property, including cell phones confiscated pursuant to student handbook and/or cell phone guidelines.

In accordance with local policies, persons wanting to appeal the DAEP placement MUST attend DAEP during the appeal process.

Consideration will be given by administration as a factor in each decision concerning suspension to self-defense; intent or lack of intent at the time the student engaged in the conduct; a student's disciplinary history; or a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

## DISRUPTIONS OF SCHOOL OPERATIONS

Disruptions of school operations are not tolerated and may constitute a misdemeanor offense. As identified by law, disruptions include the following:

- Interference with the movement of people at an exit, entrance, or hallway of a district building without authorization from an administrator.
- Interference with an authorized activity by seizing control of all or part of a building.
- Use of force, violence, or threats in an attempt to prevent participation in an authorized assembly.
- Use of force, violence, or threats to cause disruption during an assembly.
- Interference with the movement of people at an exit or an entrance to district property.
- Use of force, violence, or threats in an attempt to prevent people from entering or leaving district property without authorization from an administrator.
- Disruption of classes or other school activities while on district property or on public property that is within 500 feet of district property. Class disruption includes making loud noises; trying to entice a student away from, or to prevent a student from attending, a required class or activity; and entering a classroom without authorization and disrupting the activity with loud or profane language or any misconduct.
- Interference with the transportation of students in vehicles owned or operated by the district.

## SOCIAL EVENTS / STUDENT TRAVEL

School rules apply to all school social events. Guests attending these events are expected to observe the same rules as students, and a student inviting a guest will share responsibility for the conduct of his or her guest.

A student attending a social event will be asked to sign out when leaving before the end of the event; anyone leaving before the official end of the event will not be readmitted.

Parents/Guardian, please contact the campus principal if you are interested in serving as a chaperone for any school social events.

## TARDIES

Tardies will be recorded in groups of three. The following will be the disciplinary policy regarding unexcused tardies:

1st - 3rd tardy	warning
4th - 6th tardy	1 day of lunch detention
7th - 9th tardy	1 day of lunch detention
10th - 12th tardy	3 days of lunch detention
13th - 15th tardy	3 days of lunch detention
16th - 18th tardy	5 days of lunch detention
19th - 21st tardy	1 day of TAP

Repeated instances of tardiness will result in more severe disciplinary action, in accordance with the Student Code of Conduct.

Random tardy sweeps may be conducted at the discretion of the administration as a protective safety measure.

## CELL PHONES AND OTHER TELECOMMUNICATION DEVICES

Use of cell phones, earbuds, AirPods, bluetooth headphones, smartwatches, or other electronic devices is prohibited while students are on the GMS campus. The use of electronic devices in bathrooms, locker rooms, or office areas will result in an automatic TAP placement.

Cell phones must be turned off or on silent and stored inside students' backpacks or lockers. Headphones that are wired and plug into a Chromebook may be used if needed for course work and with teacher permission.

Any violation of the cell phone policy will result in a disciplinary action.

## TEMPORARY ALTERNATIVE PLACEMENT (TAP)

Temporary Alternative Placement is an in-house disciplinary method, which will reinforce socially acceptable behavior, provide a basically sound educational program and provide a viable alternative to corporal punishment.

Students are assigned to TAP for minor or major infraction of the rules (normally in lieu of corporal punishment or suspension) by the principal. The length of time spent in TAP is determined by the severity of the infraction and the conduct of the student while in TAP. Assignment to TAP and length of time served in TAP will be according to the disciplinary procedures.

The classroom teachers are notified and will write out assignments for the student to be completed while in TAP. Full credit will be given to the student upon completion of the work, thereby not interrupting his educational program because of a disciplinary problem.

## REGULATIONS FOR TAP

1. The Principal, Assistant Principal, or designee will assign students to TAP.
2. Misconduct in TAP will result in further disciplinary action-possible suspension. If suspension occurs; that amount of time in TAP which was missed must be served before returning to regular classes.
3. An absence from TAP must be made up.
4. Early dismissal may be granted by the principal or designee. However, time missed by early dismissal must be made up.
5. Students assigned to TAP will not be permitted to attend any special assemblies, club meetings, or athletic activities during the school day.
6. Students assigned to TAP and that will still be assigned to TAP the next school day may attend after school practice but may not participate in games or competitions. Students assigned to OSS will not be permitted to attend any type of after school event.

13. Gum, candy, snacks, and drinks are not allowed in the TAP room unless they are part of your lunch.

14. All students in TAP will eat lunch as a group, at a different time and place than the rest of the student body.
15. The student will be expected to complete all his assigned classroom work. He/she will not be allowed to sleep, talk, or play, etc.
16. The counselor will work individually and in groups with TAP students to remediate behavior, which causes disciplinary problems.
17. Students will be required to have all textbooks and materials necessary to their work before reporting to TAP. No student will be allowed to leave to get textbooks.
18. Tardiness to TAP will result in further disciplinary action.
19. No other students will be permitted to visit or interrupt students who are assigned to TAP.

## **DRESS AND GROOMING**

Godley Middle School expects its students to dress and groom themselves in a manner, which reflects a positive image. This will help in providing an atmosphere that is conducive to learning. Dress and apparel that unduly attract the attention of other students often precipitate comments and/or other reactions that are disruptive to the learning environment. This environment will also instill discipline and help prepare the students to be valued members of society. Safety, general health, hygiene and modesty are factors that are considered in the establishment of this dress and grooming code. The district's dress code is established to teach grooming and hygiene, prevent disruption, and minimize safety hazards. Students and parents may determine a student's personal dress and grooming standards, provided that they comply with the following:

### **PANTS, SHORTS, SKIRTS AND DRESSES**

1. The length of shorts, skirts and dresses will follow the "finger length/palm" rule. When a student is standing in a relaxed stance with his/her hands at their side, no part of the shorts, skirt or dress should be shorter than where the palm of the hand and fingers meet.
2. Slits in dresses, skirts, and shorts may not be higher/shorter than "finger length/palm".
3. Rips in jeans, shorts, skirts or dresses must be below "finger length/palm" rule. If there is a hole in the garment above the "finger length/palm" no skin may be exposed.
4. Any clothing that exposes undergarments or where undergarments should be is prohibited.
5. Leggings, jeggings, yoga pants, tights etc. are allowed only when the over garment is at least "finger length/palm" and worn under shorts, skirts or dresses.

### **SHIRTS**

1. Muscle shirts, tank tops, halter tops, strapless, spaghetti straps, backless and bare midriff garments are prohibited.
2. Sleeveless tops must have a strap that is at least 3 of the students finger widths wide.
3. Shirts may be worn untucked, but must be appropriately sized in shoulders, sleeves and length.

4. All clothing that exposes undergarments or where undergarments should be are prohibited.
5. Midriffs may not be exposed when hands are extended straight out in front of the student.
6. Tops will be limited to the "Palm width rule." With the index finger placed on the base of the clavicle bone horizontally the shirt or top can not be open past the base of the pinky finger when the hand is closed.

## OTHER

1. Clothing must be suitable for all scheduled classroom activities including physical education, science labs, woodshop, metal shop, and other activities where unique hazards exist.
2. Specialized courses may require specialized attire, such as sports uniforms or safety gear.
3. All students must wear shoes. Cleated shoes are prohibited in the building.
4. No house shoes, pajamas, or blankets will be allowed at school.
5. No hats, caps or any other form of head covering will be allowed to be worn in the building.
6. Clothing that advertises alcohol, tobacco, drugs, illegal activities or prohibited substances such as beer, wine, liquor, cigarettes is prohibited. In addition clothing that advertises activities that are suggestive, lewd, vulgar, or obscene language, cults, satanic/demonic symbols, sex, racism or violent images or otherwise inappropriate is prohibited.
7. Spikes and chains of any type (including wallet chains, safety pins, fish hooks, and straight pins) are prohibited.
8. Any gang related attire is prohibited.
9. Appropriate undergarments shall be worn. Any clothing that exposes undergarments is prohibited.
10. Piercings in the ear are allowed. Tapers, gauges and plugs in the ears cannot exceed 1/3", 0g or 8mm. Small nose studs up to 2mm are permitted. Clear spacers must be worn for all other piercings.
11. Dark glasses or sunglasses may not be allowed in the school building without a doctor's prescription.
12. Trench coats and dusters are prohibited.
13. Hair must be worn in such a way that it does not obstruct the view of the students' own eyes.
14. Hair must be a natural color and must be kept clean and neat.
15. Facial hair is to be kept neat and clean.
16. Facepaint/designs and glitter on the face are not allowed. Make-up should not be distracting and will be at the discretion of the administration.

## **SPIRIT DAYS**

The dress and grooming code may be modified with administrative approval to accommodate extracurricular activities and special events.

## **ADMINISTRATOR DISCRETION**

If the principal or assistant principal determines that a student's clothing violates the school's dress code, the student will be given an opportunity to correct the problem at school.

Appropriate clothing may be available in the front office if the student cannot correct the issue within a reasonable amount of time. If not corrected, the student may be assigned to TAP for the remainder of the day, until the problem is corrected, or until a parent or designee brings an acceptable change of clothing to school within a reasonable amount of time. Repeated offenses may result in more serious disciplinary action in accordance with the Student Handbook and/or Student Code of Conduct.

The principal or assistant principal shall render judgment concerning appropriate attire when such judgment is needed. The principal or assistant principal shall have the right to appraise any current fashion or fad and determine its appropriateness for school wear.

The principal or assistant principal, in cooperation with the sponsor, coach or other person in charge of an approved extracurricular activity, may regulate the dress and grooming of students who participate in the activity. Students who violate these standards may be removed or excluded from the activity. A sponsor, coach, or other person in charge, with the principal's approval, may establish dress standards for students that participate in those activities (i.e. dances, field day, athletics, band, UIL academics, awards days, etc.)

## **ACADEMIC INFORMATION**

### **ACADEMIC GRADING STANDARDS**

Godley Middle School grades are numerical. Passing grades are from 70 to 100. Failing grades are below 70. "I" or "Inc." means incomplete.

All academic classes, with the exception of P.E. , Band, and Athletics, will have a minimum of 9 minor grades and 3 major grades each 9 weeks reporting period.

1 minor grade will be entered every week and 1 major grade will be entered every three weeks.

### **Minor - Daily Practice (50% Of Total Grade)**

Daily Practice Activities are guided or independent practice activities that are designed to build student skills and confidence for the related TEKS Student Expectation that is being studied. Skills acquired will allow the student to demonstrate their mastery of the learning expectation at the appropriate level of rigor for the Student Expectation. These may include daily practice,

guided practice, or exit tickets that will measure the student's mastery of the state standards (TEKS).

It is expected that students complete daily practice activities to the best of their abilities within the time frame given.

## Major - Formative/Summative Assessment (50% Of Total Grade)

Formative Assessment activities allow the student to demonstrate their understanding of the learning expectation at the specific level of rigor for the TEKS Student Expectation.

Summative Assessments evaluate student learning at the end of an instructional unit. These may include a unit test, report, presentation, research paper, or project that will measure the student's mastery of the state standards (TEKS).

## Year-End Averages

Year-end averages will be calculated by adding both semester grades and dividing by two.

## Project Based Or Problem Based Learning (PBL)

Your child may be participating in a PBL project during the course of a reporting period or semester. Even though this project may have a final culminating grade, there will be many checkpoints along the way towards completion. These various checkpoints may serve as many of the grading opportunities that have been outlined in this grading policy. Prior to the start of a new project, these will be outlined to the student as well as the grading criteria.

## Non-Core Classes

Non-core subject classes will be required to meet the same grading criteria as core classes. Some non-core subject classes may have a different grading policy with principal approval.

Physical Education, Band, and Athletic grades will be based on daily participation. Grading standards will be published separately and distributed to students participating in these programs.

## ASSIGNMENTS

### Make-Up Work

If a student has an absence from school he/she will be required to make up any assignments or tests that were missed. Students that have been absent from school, will be given one day per each day missed to make up assignments.

It is the responsibility of the student to go to each teacher to ask for all work to be made up.

If a student is present when a test or the semester exam schedule is announced, the student may take the test or exam as scheduled. For example: on Monday a test is announced for

Friday and the student is absent on Wednesday and Thursday, then the student may be expected to take the test as scheduled.

## Assignment & Test Corrections

Correction guidelines ensure that grading reflects a student's relative mastery of an assignment/test. Students will be permitted a reasonable opportunity to redo an assignment or retake a test for which the student received a failing grade. The teacher may assign additional enrichment activities to re-teach skills not mastered. Guidelines for grading will be clearly communicated to students and parents by department at Godley Middle School during the first two weeks of school.

## Failure To Complete Assignment & Assessment Corrections in a Timely Manner

If a student does not complete corrections in the time frame allotted, or does not attempt to do so, their original score will remain. There is no exception requiring the teacher to allow a student to correct assignments from previous weeks that the student did not attempt to turn in during the original time frame given for corrections.

## Late Work And Mandatory Tutorials

Late work submitted more than three school days past the due date will be accepted at the teacher's discretion and may receive a deduction of up to 20 points.

Mandatory tutorials can be assigned by classroom teachers. Students who fail to attend may be subject to disciplinary action.

## Physical Education

If a student is not physically able to take part in physical activities, he/she may bring a note from his/her parent/guardian in order to be excused for the day. A parent's note is good for up to 3 days. After this, if the student is not able to take part in PE, he/she must bring an excuse from a physician stating that he/she is not physically able to take part in the activities. Any classwork missed beyond the first three days may be made up through research papers or an alternative assignment approved by the PE instructor. Physical Education grades are primarily based on daily participation.

## DEFINITIONS OF ACADEMIC VIOLATIONS

**Cheating:** cheating on tests or examinations includes, but is not limited to using unauthorized notes, study aids, or information on an examination (including laptops, cell phones or other communication devices); altering a graded work after it has been returned, then submitting the work for re-grading; allowing another person to do one's work and submitting that work under one's own name; submitting identical or similar papers for credit in more than one course without prior permission from the course instructors.

**Plagiarism:** submitting or presenting material that in part or whole is not entirely one's own work without attributing those same portions to their correct source.

**Fabrication:** falsifying or inventing any information, data or citation; presenting data that were not gathered in accordance with standard guidelines defining the appropriate methods for collecting or generating data and failing to include an accurate account of the method by which the data were gathered or collected.

## OBTAINING AN UNFAIR ADVANTAGE

- Stealing, reproducing, circulating or otherwise gaining access to examination materials prior to the time authorized by the instructor.
- Stealing, destroying, defacing or concealing library materials with the purpose of depriving others of their use.
- Unauthorized collaborating on an academic assignment.
- Retaining, possessing, using or circulating previously given examination materials, where those materials clearly indicate that they are to be returned to the instructor at the conclusion of the examination.
- Intentionally obstructing or interfering with another student's academic work.
- Otherwise undertaking activity with the purpose of creating or obtaining an unfair academic advantage over other students' academic work.

## AIDING AND ABETTING ACADEMIC DISHONESTY

## PARENT CONTACT STANDARDS

It is highly recommended that you review your child's daily progress by utilizing [Skyward Family Access](#) on the Godley ISD website. If you are unable to do so, or still have questions, please contact your child's teacher by emailing them or calling the school office at 817-592-4340. The following are instances in which you should expect contact from your child's teacher:

**Progress Reports:** Student progress may be monitored at any time utilizing Skyward Family Access on the district website. Please contact the campus office for information on obtaining your login and password information. You may request that a written report be given to your child.

**Notification of Failing Grade:** Parent contact will be attempted by the teacher, either by phone, email, or ParentSquare, if a student's grade that was passing at the progress report drops below passing before the end of the reporting period.

**Nine-Week Report Cards:** Report cards will be available for viewing on Skyward Family Access.

## SCHEDULE CHANGES

Requests for schedule changes must be made within the first 3 days of the first semester. If a schedule change is wanted for the second semester the request form must be turned into the counselor by the conclusion of the first semester. Students in Honors classes may request a schedule change into a regular class up to second progress report. No changes will be made after this time. Any exceptions will require the approval of the campus principal.

## HOUSE BILL 1416

For any student who does not pass or does not take the math or reading STAAR test in grades 6-8 supplemental instruction will be embedded in the school day (RTI) for each subject not passed. If a student does not pass a subject for two consecutive years a parent/teacher conference must be held to develop an Accelerated Education Plan.

## LIBRARY (CLI)

The library or CLI (Center for Learning and Innovation) is a learning laboratory with books, magazines, and other materials available for classroom assignments, projects, and reading or listening pleasure. The library is open for independent student use with teacher permission.

The full cost of the book will be charged to the student if the book is lost or damaged to the extent that it can no longer be circulated. If a lost book is found the cost will be refunded.

## LIMITED ENGLISH PROFICIENT STUDENTS

A student with limited English proficiency (LEP), sometimes referred to as an English language learner (ELL) or Emergent Bilingual (EB) in certain state statutes and state rules, is entitled to receive specialized services from the district. To determine whether the student qualifies for services, a Language Proficiency Assessment Committee (LPAC) will be formed, which will consist of both district personnel and at least one parent representative. The student's parent must consent to any services recommended by the LPAC for a LEP student. However, pending the receipt of parental consent or denial of services, an eligible student will receive the services to which the student is entitled and eligible.

In order to determine a student's level of proficiency in English, the LPAC will use information from a variety of assessments. If the student qualifies for services and once a level of proficiency has been established, the LPAC will then designate instructional accommodations or additional special programs the student will require to eventually become proficient at grade level work in English. Ongoing assessments will be conducted to determine a student's continued eligibility for the program.

The LPAC will also determine whether certain accommodations are necessary for any state-mandated assessments. In limited circumstances, a student's LPAC may exempt the

student from an otherwise required state-mandated assessment or may waive certain graduation requirements related to the English I end-of-course (EOC) assessment. The Texas English Language Proficiency Assessment System (TELPAS) will also be administered to LEP students who qualify for services.

If a student is considered LEP and receives special education services because of a qualifying disability, the student's ARD committee will make instructional and assessment decisions in conjunction with the LPAC.

## **NURSE'S OFFICE**

1. When the nurse is not available, show your pass to the secretary or principal.
2. Students are not permitted in the nurse's office without a pass except in an emergency. The pass indicated that the student has reported to class and is absent from the classroom with the teacher's permission. Do not go to the nurse's office when due in class. Report to your class first and obtain a pass.
3. In case of injury, illness, or emergency, notify the nearest teacher immediately.
4. Students may not leave school for illness without first reporting to the nurse or principal and signing out in the Attendance office. Parents must be contacted before the student can leave the campus.
5. Parents and students are encouraged to consult the nurse concerning any health problems or questions.
6. Students who are too sick to attend classes will be sent home and will not be allowed to stay in the office and sleep.
7. All health problems, including allergic reactions to medicine, bites or stings, and any communicable diseases are to be reported to the school nurse.
8. Patient medication can be given at school only if there is a signed permit from the parent or guardian and physician depending on the type of medication.
9. The school will not supply aspirin or Tylenol for students. If your child needs these items, you will need to send them to school and turn into the office with the bottle labeled. You must also have a medicine at school form with your signature on it on file.
10. According to HB 1688, students are allowed to carry and self-administer asthma medications at school. The inhaler must be labeled with the prescription and a form from the physician and parents must be on file in the office.

## APPENDIX III:

### Godley ISD: Bus Rider's Safety Handbook, 2024-2025

Dear Parents,

Godley ISD provides bus transportation to and from school as a courtesy service for eligible students. Our primary goal is to transport students to and from school safely and efficiently by delivering the best possible transportation services. To accomplish this goal, there are responsibilities and rules for the transportation system, staff, students, and parents to follow. We ask parents to become familiar with the rules and procedures and to discuss them with their child/children. Transportation services are a privilege, not a right. Therefore the rules established by this department must be followed to accomplish our goals.

Route information may be obtained by calling the Godley ISD Transportation Department at 817-592-4235 or 817-592-4237. With your assistance, this school year will be a safe and successful one for all of our students.

Thank you for your support and cooperation.

Sincerely,  
Daina Smith  
Director of Student Services
