Channce Condit—District 5

MISSION STATEMENT

“The Stanislaus Child Development Local Planning Council shall provide leadership in supporting the development and availability of child care for children in Stanislaus County.”

Duties and Responsibilities

The Council is involved in a variety of child care needs concerning children from birth to 13 years of age, including children with special education needs.

Assess...

Child care needs in Stanislaus County a minimum of once every five (5) years.

Advise...

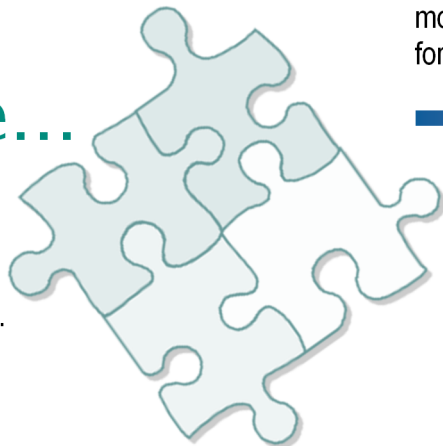

The Stanislaus County Board of Supervisors, the Stanislaus County Superintendent of Schools and the community about child care needs in our county.

Communicate...

Funding opportunities, program coordination models and development strategies to support and build child care capacity.

Facilitate...

Communication and cooperation between child care providers and stakeholders in the county.

Goals and Council Meetings

Quality child care is provided by caring individuals who support learning that builds on each family's and child's interests and needs.

Goals

Provide current child care data collection and analysis which will assist in public policy issues concerning child care needs in Stanislaus County.

Review, monitor, advocate and implement legislation affecting child care in Stanislaus County as necessary.

Coordinate with other organizations serving children and families to enhance child care services.

Council Meetings

Council meetings are open to the public. The Council encourages the public to attend and participate in regular meetings.

If you are interested in attending a meeting or for more information, please contact the Council office for meeting agenda and information.

Council Membership

Membership is grouped equally in the following five (5) categories.

Child Care Consumers are...

Parents or individuals who have used child care services within the past 36 months.

Child Care Providers are...

Individuals or agencies currently providing services or representing individuals who are providing child care services.

Community Representatives are...

Persons who represent an agency or business that provides private funding for child care services, or who advocate for child care services through participation in civic or community-based organizations but are not child care providers.

Public Agency Representatives are...

Persons who represent a city, county or local education agency.

Discretionary Appointments are...

Persons specifically appointed by the County Board of Supervisors and the County Superintendent of Schools.
