

How to access the My Ride K-12 mobile application

1. Download **My Ride K-12** from the Google Play Store or the Apple App Store.
2. After the app installation is complete, open My Ride K-12.
3. When prompted to find your school district, search for York School District One.
4. Once you have selected York School District One, you will proceed to the login page. If you do not already have a registered email, click **Register**.
5. To register, enter your email address, a password, and name.
6. After registering, you will receive a confirmation email. Tap on the link in your email to confirm your registration through the My Ride K-12 website.
7. Log in, then find a student by going to My Students and choosing the **+** button.
This will present the **Add Student** screen.
8. Enter the following information to find your student:
 - Enter your child's Student ID number. Your child's school will provide you with the student ID number if you do not know it.
 - Enter your child's date of birth (DOB) in the format provided 00/00/0000.
9. Once you have linked to a student, click on that student's profile to see all relevant transportation information.
10. Press the **Share** button to share a student link with someone else.
11. Enter the email of the person you would like to share with. That person will receive a confirmation email that will automatically link them to the shared student(s). Recipients must register with My Ride K-12, if they have not already done so, to access the student information.
12. Regularly check for updates to ensure that your device is running the latest version of the app.
13. Remain logged in to the app to receive notifications, even when the app is not actively running.
