

Welcome to Advanced Freshman Composition and Literature! I can't wait to meet you all next year, but you are in luck because I won't have to wait until then to see your work. :) Each year high school English classes assign summer reading assignments to all students. The hope is that you complete it BEFORE school starts, but it will be due the first Friday we are back, August 22nd.

This summer I am asking you to read the graphic novel "American Born Chinese". You can find it on Amazon or at your local library. You will need it for the first few weeks of school, so I would suggest purchasing. If you are unable to purchase the book, please let me know and I will get you a copy. Once you have read the book you will join my Google Classroom and complete the assignments before the start of the school year. THIS IS WORTH A GRADE.

If you have any questions, please feel free to email me at sara.lee@cslocal.org
