

How to Register

1. Start at the Just Kids website: <https://www.justkidsprogram.org/about>
2. Once here, if you hover over the Districts Served tab in blue, you can select the district your child(ren) attend.
3. Once you have selected your district, you will then select the school your child(ren) attend on the right hand side. This will redirect you to Brightwheel.
4. Once you have completed your Brightwheel Application, it will be sent to our registration team who will review the application.
5. After review, you will be emailed a parent handbook (the last page must be signed and returned), a Receipt of Information (which must be signed and returned), and a CACFP (which must also be signed and returned...note not all programs will receive this form). These forms can be digitally or wet signed. We can accept scanned forms or pictures of completed forms.

If you need assistance please call us at 856-767-5757, ext. 503 or email christopher.desilvio@archwayprograms.org
