INSTRUCTIONAL PRIORITIES

2025-2026

Rigorous and Relevant Coursework

Provide all students with access to tools, skills, and opportunities needed to succeed by emphasizing 21st century skills, and expanding access to alternative learning pathways to support student interest

Profile of a Graduate

Identify the elements of our South Country Central School District Profile of a Graduate

K-12 focus on the use of High Impact Instructional Practices

Intentionally promote and embed teaching strategies that are research-based, highly effective, and proven to significantly improve student learning outcomes — across all grade levels, from kindergarten through 12th grade

Data Driven Instruction

Utilize a high quality universal data analysis system to support teaching and learning
