

We thank you for your time spent taking this survey.
Your response has been recorded.

Below is a summary of your responses

[Download PDF](#)

The Texas Education Code (TEC), §38.0141, requires the Texas Education Agency (TEA) to collect data relating to student health and physical activity from each school district/charter district. The School Health Survey has been developed for this purpose. The data gathered will allow the agency to better address the various health-related needs of Texas schools and students statewide.

The survey will take approximately 15–30 minutes to complete. This survey must be completed **ONLINE** and can be submitted only **once** for each school district (including a district designated as a district of innovation) and open-enrollment charter school. Responses should reflect the entire 2023–2024 academic year and may require input from different staff members within the district/charter school to completely answer the survey questions.

A copy of the survey questions is attached to the TEA correspondence sent out on [March 21, 2024](#). You may wish to print the survey questions and complete the answers prior to entering your survey responses online.

Please coordinate with staff to ensure there is **one** submission per school district/open-enrollment charter and continue the survey on the same device and location (IP address). Should a school district or open-enrollment charter submit the survey more than once, the most recent submission, even if incomplete, will be considered the final submission.

Survey completion deadline – **Friday, May 24, 2024**

INSTRUCTIONS

The online submission requires you to complete the entire survey. To make changes, simply click on the new response. In some cases, you will need to unclick a previous answer to change the response. To move through the survey, click the previous/next (Forward arrow/Back arrow) buttons at the bottom of each page.

At the end of the survey, you may wish to print a copy of the completed survey for your records **BEFORE** you click “DONE.” After clicking “DONE” you will not be able to re-enter the survey to make changes. You will receive a “pop-up” message as your confirmation receipt. You will not receive any other confirmation.

Thank you for your participation in the 2023–2024 School Health Survey.

Please select your region and local education agency (LEA) from the list below.
