SUPPORTING **COMMUNITY CHRISTIAN**

In celebration of Community Christian School's 25th anniversary, we are especially grateful for the support of local businesses who partner with us to advance our mission. These partnerships not only help provide additional financial support for our growing school, but also offer companies and organizations a meaningful way to promote their business to an engaged and active school community.

By partnering with CCS, your business will reach X annual attendees at campus events, X students, X parents, X alumni, and other members of the surrounding community.

We offer a variety of sponsorship levels and opportunities for businesses of all sizes—supporting our academic excellence, championship-winning athletics, and the exciting first year of our Fine Arts program.

OUR MISSION

Community Christian School is the only K-12th grade non-denominational, Christian educational option for families in Wilson County and all surrounding communities. We will provide our students with a Christ-centered, loving, and encouraging environment in which to learn about God's word. Each student is treated as the precious and unique child of God that he/she is, being encouraged to reach their potential in creativity and knowledge.

Community Christian School will be the light in our community by developing Christian leaders in a grace-filled family atmosphere and by cultivating the God-given talents of our students with a Christ-centered education.

MAKE AN IMPACT.

This year marks the 25th anniversary of Community Christian School—a milestone worth celebrating as we continue to grow and thrive. With a flourishing athletics department boasting winning seasons in the MACAA conference and the exciting launch of our new Fine Arts program, there's never been a better time to support CCS.

We offer several exclusive opportunities each year to sponsor signature events, campus recognitions, and designated spaces. These limited sponsorships are made available first to our valued Business Partners before opening to the general public, and they are offered on a first-come, first-served basis.
