## ON THE COVER

Left to right: Micah Akah, Ellis Race, Miles Merrill, Jewelyn Akah, and Maham Tahir

LPS Community,  
As we prepare to open our doors for the start of the 2025–2026 school year on Wednesday, August 20, 2025, I want to extend a warm and enthusiastic welcome back to each of you. The start of a new school year is always an exciting time that is full of possibilities, renewed energy, and the promise of growth.  
Over the summer months, our incredible teams have been working tirelessly to make sure our schools and facilities are fully prepared to welcome students and staff. From significant construction projects that will expand opportunities for learning, to those annual summer updates like fresh coats of paint and new carpeting, we've made tremendous strides in ensuring our learning environments are clean, safe, and inspiring spaces for all. These efforts reflect our continued commitment to excellence and providing top-quality experiences for every learner who walks through our doors.

None of this work would be possible without the

ongoing support of our LPS community. Whether you are a parent, student, staff member, business partner, or community partner, we thank you for the countless ways you contribute to our shared success. It truly takes all of us working together to make Liberty Public Schools the outstanding district it is.

This year promises to be one of continued growth, innovation, and collaboration, with the goal of allowing for all of our nearly 12,000+ learners to THRIVE. As we focus on student learning, well-being, and engagement, we are excited to build upon the momentum of previous years and create even more meaningful experiences for our learners.

We can't wait to see our students back in classrooms, to connect with families, and to support our dedicated staff as they do what they do best: educate, inspire, and lead.

Here's to a fantastic 2025–2026 school year!

*Dr. M. Jeremy Tucker*

## SCHOOL AGE CARE – KID’S ZONE

Kid’s Zone, in collaboration with the eleven elementary schools in LPS, offers students a safe, engaging environment before and after school that promotes creativity and independence through a balance of structured, counselor-directed activities and unstructured, child-initiated experiences. There are plenty of opportunities for active play, socialization, a quiet place for study with homework assistance, and a wide range of age-appropriate activities. Kid’s Zone begins at 6:30 a.m. and operates until school starts. Kid’s Zone resumes promptly at school dismissal until 6 p.m. There are non-school day care options available over school breaks and inclement weather days for students enrolled in the program. On non-school days, Kid’s Zone hours are from 7 a.m.- 5:30 p.m. Every site is staffed with a certified CPR-FA Site Manager and a host of school-age care associates to meet the 1 to 16 staff-to-student ratio. Open enrollment for the 2025-2026 school year began on June 18, 2025.

If you are interested in learning more about our program, please visit [www.lps53.org/K7](http://www.lps53.org/K7) or contact our Kid’s Zone Office at 736-5378.

## TRANSPORTATION

The primary responsibility for transportation is safe transit from home to school and back.

With nearly 7,000 students riding daily, STUDENT CONDUCT is crucial to safe rides daily. There are three focus points to review with your student:

- 1. Respect and comply with drivers and monitor directions at all times.**
- 2. Remain seated in your assigned seat for the duration of the bus ride.**
- 3. Ride safely and respect those around you.**

Take a moment to download the BUS COMPASS app. It will show you where and when your student gets on and off the bus. It will also alert you to how far away the bus is from the bus stop.

All students must OPT IN for transportation in order to be routed to ride a bus. All communication can be made at [www.lps53.org/transportation](http://www.lps53.org/transportation) On this page there are communication options for all transportation questions.

### Parent Reminders

Bus Stop Information provided on Infofinder will be available approximately two weeks before school starts on the Transportation page at [www.lps53.org/transportation](http://www.lps53.org/transportation).

Students who live more than one mile from school are eligible for bus transportation.

Elementary students will walk no more than three blocks to a bus stop; 6th-12th grade students may walk up to six blocks.

Transportation letters will be emailed to parents at the beginning of August.

## STUDENT SAFETY

### *Visitors to our district: safety and security guidelines*

Liberty Public Schools welcomes visitors to our school community. We are proud of our facilities and learning environment. In order to safeguard our students and staff, the following procedures will be followed:

- All visitors to our school facilities must ring the doorbell to gain access through the secure entrance.
- You will be asked to provide information regarding your visit to our facility.
- Once inside, check in with the receptionist or office administrative assistant.
- If you wish to enter the school beyond the receptionist's area, you will be required to provide a government issued I.D.
- Visitors will be required to wear a visitor name badge provided by the office.
- A request to visit a classroom may only be approved by the principal, but is not encouraged due to interruption of the learning environment.
- Media representatives are permitted only when given approval by the superintendent or designee.
- Due to privacy issues, videotaping or photographing in classrooms is not permitted.  
Exceptions shall be granted only by the superintendent or designee.

Keeping schools safe is a responsibility for all staff, students, and patrons. If you learn of, or suspect, a school violence incident, please help prevent the act before it happens. You may report incidents by calling the Safety and Security

Department at 816-736-5300 or 816-736-7777. You may report incidents anonymously by accessing our tip reporting system, Sprigeo, from any of our school websites or by calling the Missouri School Violence Hotline at 1-866-748-7047.

In the event of an emergency, the district has a comprehensive crisis plan and has direct links to the Liberty and Kansas City Police Departments, Fire Departments, and Liberty Hospital.

All students need to be aware of their surroundings and communicate with administrators, safety and security personnel, or a School Resource Officer if there is a problem. Digital camera systems and secured entry systems are installed in all buildings. If you see suspicious activity around any of our buildings, please report it immediately. If you have questions or concerns about safety, call the district safety and security number at 816-736-5300, or visit our website at <https://www.lps53.org/safety>.

## CRISIS INFORMATION/ WEATHER GUIDELINES

During an emergency situation, your first reaction may be to call or come to the school. While we understand your need for immediate information, your presence may actually interfere with emergency respondents attending to the situation at the school. We will make every attempt to forward timely information via email, text, and phone calls to ensure you are kept informed of any concerns and actions taken to maintain the safety of your child. Instead of going to the school, you are encouraged to seek other means of gathering information; these sources might include the Liberty Public Schools website, local news channels, and local radio stations. We appreciate your patience and understanding in addressing this issue.

The LPS Safety and Security Department, district administrators, and law enforcement monitor weather conditions closely. In the event of a weather emergency, safety plans are in place in each school building. We ask that you do not call or come to the school during this time, as for safety reasons, we may not be able to release students until the weather has improved or cleared.

## SCHOOL CLOSING INFORMATION

Decisions about school closings are made by the administration and communicated to parents via several sources, which include our Blackboard Automated Phone Calling Service, QuickNews e-newsletter, District Facebook and Twitter pages, LPS District website, local television stations, and our mobile app. Parents should keep their children home if they believe weather conditions are too threatening or severe. Early dismissals due to weather conditions are rare; however, parents should instruct children as to what to do, whom to contact, and where to go should school be dismissed early.

## EDUCATING MISSOURI'S HOMELESS CHILDREN

The McKinney-Vento Act guarantees homeless children and youth an education equal to what they would receive if not homeless. Who is homeless? According to the McKinney-Vento Act, homeless children and youth include individuals who lack a fixed, regular and adequate nighttime residence. This includes the following situations:

- Sharing the housing of others (known as doubling-up) due to the loss of housing and economic hardship
- Living in motels, hotels, trailer parks or camping grounds
- Living in emergency or transitional shelters
- Abandoned in hospitals
- Living in a nighttime residence that is a public or private place not designed for an ordinarily used as a regular sleeping accommodation
- Living in cars, parks, abandoned buildings, substandard housing, bus or train stations, or similar settings

The McKinney-Vento Act also recognizes unaccompanied youth who are homeless. According to this Act, an unaccompanied youth is a youth not in the physical custody of a parent or legal guardian. The Liberty Public Schools Homeless Coordinator is Rebecca Bressman, Director of Student Services, 736-5310, 8 Victory Lane, Liberty, MO 64068.

## PROHIBITION AGAINST ILLEGAL DISCRIMINATION AND HARASSMENT

The Liberty 53 School District Board of Education is committed to maintaining a workplace and educational environment that is free from illegal discrimination or harassment in admission or access to, or treatment or employment in, its programs, activities, and facilities. Discrimination or harassment against employees, students, or others on the basis of race, color, religion, sex, national origin, ancestry, disability, age, or any other characteristic protected by law is strictly prohibited in accordance with law. For more information, contact the LPS compliance office by calling 736-5300, 8 Victory Lane, Liberty, MO 64068.

## TITLE IX PROHIBITS SEXUAL HARASSMENT AND SEXUAL VIOLENCE IN PUBLIC SCHOOLS

Title IX of the Education Amendments of 1972 ("Title IX"), 20 U.S.C. §1681 et seq., is a Federal civil rights law that prohibits discrimination on the basis of sex in education programs and activities. All public and private elementary and secondary schools, school districts, colleges, and universities (hereinafter "schools") receiving any Federal funds must comply with Title IX. Under Title IX, discrimination on the basis of sex can include sexual harassment or sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion.

Federal law requires that schools have and distribute a policy that prohibits discrimination and harassment based on sex and acts of sexual violence. In compliance with Title IX, it is the policy of the Liberty 53 School District to maintain a learning and work environment free from discrimination and harassment based on sex. (For complaints related to race, color, national origin, sex (that does not fall under Title IX), and disability, please see Board of Education Policy AC.)

The Liberty 53 School Board of Education adopted Policy ACA that defines sexual harassment under Title IX, and outlines the policies and procedures that the District follows in identifying, investigating, and responding to allegations of sexual harassment under Title IX. (Please see Board of Education Policy ACA.)
