Strasburg School District 31J

Private Transportation Consent Form
Secondary Schools

Dear Parent or Guardian and Student,

At times it becomes necessary to use private vehicles to transport students to and from school sponsored activities. When this occurs, the school district requires that the student and their parent or guardian sign this Private Transportation Consent Form.

I understand and acknowledge that failure to sign this consent form may result in my child not being permitted to attend any such activity for which private transportation is necessary.

My child, _____ has my permission to travel from school property (or other location) by private transportation, as specified below with their parent or legal guardian. I understand and acknowledge that the Strasburg School District 31J and its member schools will have no financial or legal responsibility for injuries arising out of such travel. I also understand that the district has no responsibility for determining whether the private transportation provider is insured.

Please review the transportation options listed below, check any that are acceptable for your student, sign the form, and have your student return the form to the Athletic Director three days prior to the specified event in which private transportation is needed.

I/We hereby give my/our student permission to be privately transported by parents or legal guardians for the activity below on the date listed below.
