

Dear Fourth Grader,

Welcome to fourth grade and room 205! I hope that you and your family have had a safe and wonderful summer and are ready for a sensational school year. I have lots of fun and exciting things planned for this year.

Fourth grade requires a lot of hard work, but it is also extremely rewarding! I have high expectations for you, but I am certain that you will exceed all of them! I am looking forward to getting to know you.

The items we will be using in our classroom this year are listed under "Grade Level Supplies" on Oxhead's webpage. Also, please be sure to come to school prepared with an independent reading book on the first day of school and one healthy snack.

Enjoy the rest of your summer and come to school ready to do great things! I will see you soon.

Parents, please take a moment to join our REMIND classroom. It is a great way to stay in touch!

Warmly,

Mrs. Kelly
