

Dear Parents,

Welcome to room 115 and second grade! I am very excited about the upcoming year and I am looking forward to getting to know your child. Second grade is an exciting time filled with many rewarding experiences, which your child will carry with him/her, for the rest of his/her life. My goal for all of my students is to have them develop to their fullest potential in an interesting and stimulating learning environment. In working toward this goal, I feel that parent-teacher communication is vital. Please feel free to email me at cippolito@mccsd.net with any concerns, questions or comments you may have. I will respond as soon as possible. Please send your child to school each day with a book to read and their Chrome book fully charged. The supply list is on the Oxhead Road website under the student/parent info tab. I am looking forward to a fantastic year for all of us. Thank you in advance for your interest and support.

Warmly,
Mrs. Ippolito

IMPORTANT: THE SUPPLY LIST CAN BE FOUND ON THE OXHEAD WEBSITE UNDER STUDENT AND PARENT INFO TAB
