

Dear Parents,

Welcome to the second grade! I hope that everyone's summer was relaxing and enjoyable. I also hope that everyone is as excited about this upcoming school year as I am. My name is Mrs. Walter and I will be your child's teacher. Our classroom is in room 112. Every year at this time my heart is filled with the joy of anticipation. As I prepare nametags, welcome letters, labels, etc., I try to imagine the smiling faces that belong to each name. I think about how fortunate I am to have the honor of being your child's second grade teacher and I'm excited about the endless things we will share and teach each other. I will do my best to make every day as fun and enjoyable as I can. I want your child to love coming to school each day. I look forward to sharing a whole new world of second grade with you and yours this year.

Parent teacher communication is extremely important! Please feel free to contact me at any time, with any questions or concerns you may have. A good learning experience is built on a cooperative effort between parent, child, and teacher. With your participation both in and outside of the classroom, we can look ahead to a productive, creative, and fun year together. I look forward to all of our lives touching over the next ten months. By working together, I know we can make it the **BEST** it can possibly be!

The second grade supply list can be found on the Oxhead Road website under the student/parent portal. Thank you in advance for your cooperation in preparing your child for this school year.

Sincerely,
Mrs. Walter
