

Welcome to a new school year! I hope you had a restful and enjoyable summer. My name is Mrs. Wiegand and I will be your child's teacher this year. I am very excited to teach 3rd grade this year! I taught 3rd grade my first year of teaching (MANY years ago, haha) and I loved it! This year your child will begin an exciting journey of discovery and growth in third grade. We will be exploring many fascinating topics. Open communication between home and school is crucial for your child's success. Parents are encouraged to reach out with any questions or concerns. My email address is mwiegand@mccsd.net. I also set up a Remind account, which I encourage you to join in September (a letter will go home the first week of school). It's a great way to keep informed on important information about your child and the classroom.

The supply list for third grade is on the district website, but I am also posting it on my letter. Please have your child bring their supplies on the first day of school. Please contact me if you are having difficulty getting any of the supplies. I am honored to be a part of your child's learning journey and look forward to a wonderful year.

Sincerely,
Mrs. Wiegand
Room 116
