

August 2025

Dear Parents/Guardians,

It's that time again and the 2025-2026 school year is just around the corner. I hope everyone had a good summer. Before the new school year formally arrives I wanted to introduce myself. My name is Tracy Di Bari and I will be your child's teacher this school year. I am excited to work with your child so that together as a team we can have a successful school year.

Before the school year starts I want to let you know a bit about myself. This will be my 17th year teaching special education for the Middle Country School District. Although I have been teaching at Middle Country for 17 years, I have been teaching special education for the last 25 years and have taught students with a variety of special needs. My classes are made up of a variety of students with special needs therefore a variety of teaching strategies and techniques as well as behavioral strategies will be utilized throughout the school day.

Once the school year begins please be sure to send your child to school with a drink and a healthy snack each day. If you will be sending in lunch or snack money, please enclose it in an envelope or Ziploc bag labeled with your child's first and last name.

A list of school supplies will only be located on the district website. Please look it over to ensure that your child has all they need for a successful year. To help with this success please put the following materials in your child's pencil case. (3 sharpened pencils, 3 glue sticks, box of crayons, scissors, box of colored pencils). Crayons and colored pencils can stay in their box.

I am looking forward to working with and getting to know your child throughout the 2025-2026 school year. If you wish to speak to me feel free to contact me at Oxhead Elementary School at (631) 285-8700, send in a note with your child, or you can e-mail me tdibari@mccsd.net once the school year has started. Thank you for your time and enjoy the rest of your summer.

Sincerely,

Tracy A. Di Bari, MA
Special Education Teacher
