

Is there a problem that involves you or another student or are you worried about them?

Is this an emergency?

Yes

Call 911

Is it life threatening?

Safe 2 Say Report

Are you not willing to tell another person for some reason? Does this situation involve a threat now or in the future to you or others?

Has this person been talking about self-harm, or led you to believe they may hurt themselves now or in the future?

Does this situation involve a threat to the school community?

# PFMS Reporting Forms

No

REACT Reporting  
Form

Has any person in this school community made negative comments about or acted against you or someone else because of race, religion, gender, orientation, or disability?

Is it sexual in nature or about some aspect of someone's identity?

Are you or someone else being harassed or bullied?

PFMS Request for  
Assistance Form

Are you concerned about the mental or physical health of someone or yourself?

Have you noticed a change in your or someone else's ability to succeed at school?

Have you or someone else been using alcohol or drugs?

Are you or someone else struggling to attend school on a regular basis?

Are you able and willing to reach out to someone in person?

During school hours or at a school sanctioned event? Find a teacher, counselor, administrator, coach, or other school official and inform them of the problem.

Outside of school hours or off school grounds? Get a parent, guardian or other trusted adult involved.

See something, say something.  
If you're not sure, report!
