

Adding Google Calendar to iPhone and Android Devices

Version 1.0 | September 03, 2024

Managing school events and appointments for your child can be a challenge. By adding Google Calendar to your iPhone or Android device, you can easily keep track of school activities, meetings, and important dates. This guide will provide simple, step-by-step instructions to help you set up Google Calendar on your mobile device. With Google Calendar on your phone or tablet, you will have instant access to your child's school events schedule and allow you to stay organized and informed about upcoming events and deadlines, ensuring you never miss an important school-related date.

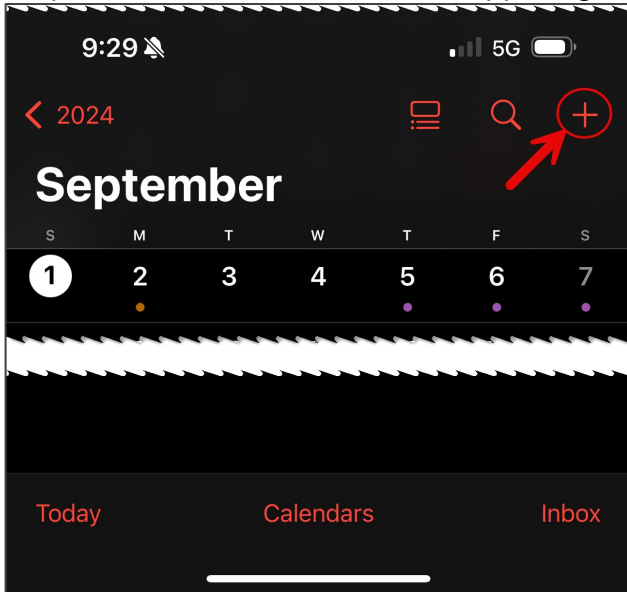

Google Calendar Setup for iPhone

Step 1. Open the Calendar app on your iPhone device.

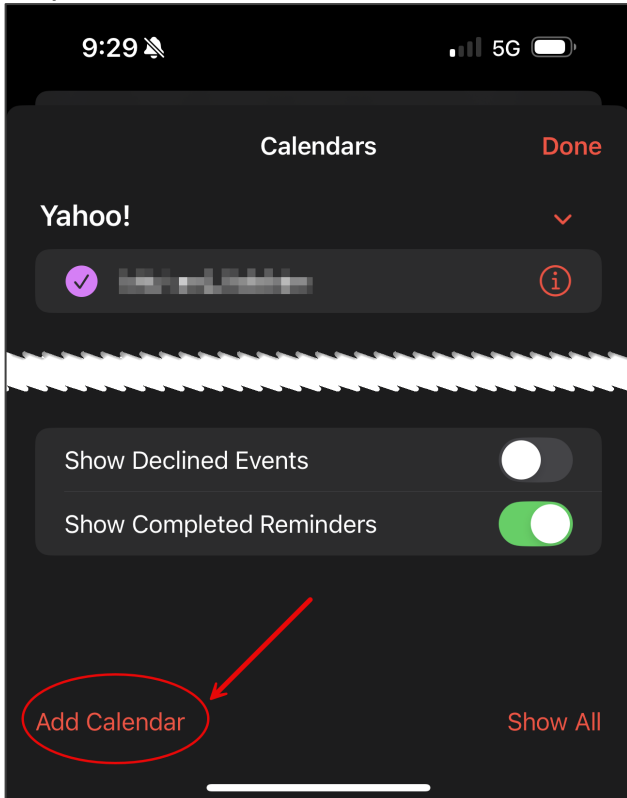

Step 2. Select the “+” icon in the upper right-hand corner of the screen.

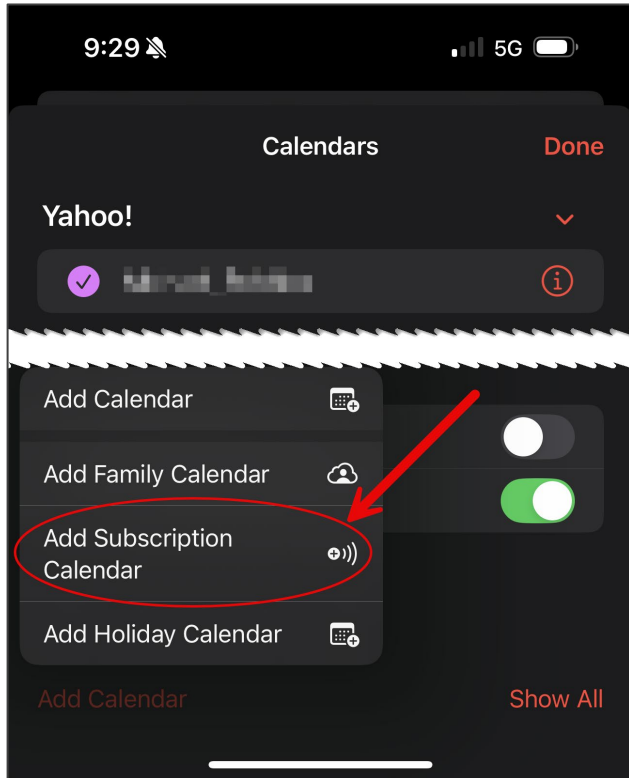

Step 3. Select the “Add Calendar” icon in the lower left-hand corner of the screen.

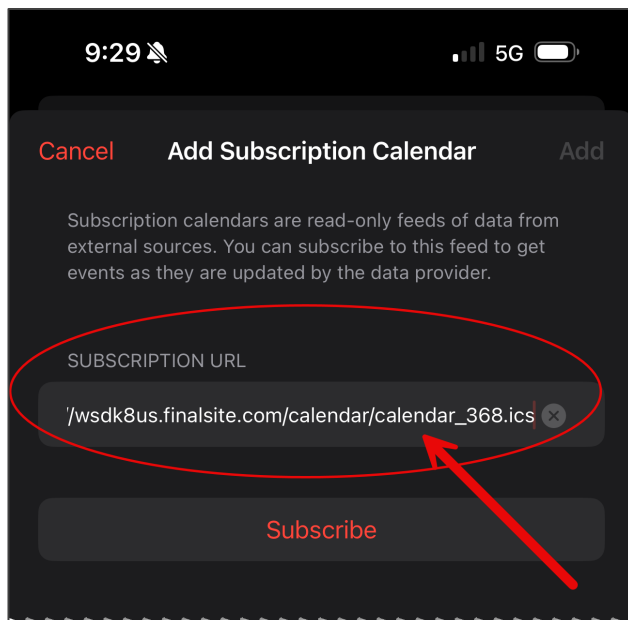

Step 4. Select the “Add Subscription Calendar” icon.

Step 5. Input the “Subscription URL” for your school site based on the table below:

Google Calendar Setup for Android

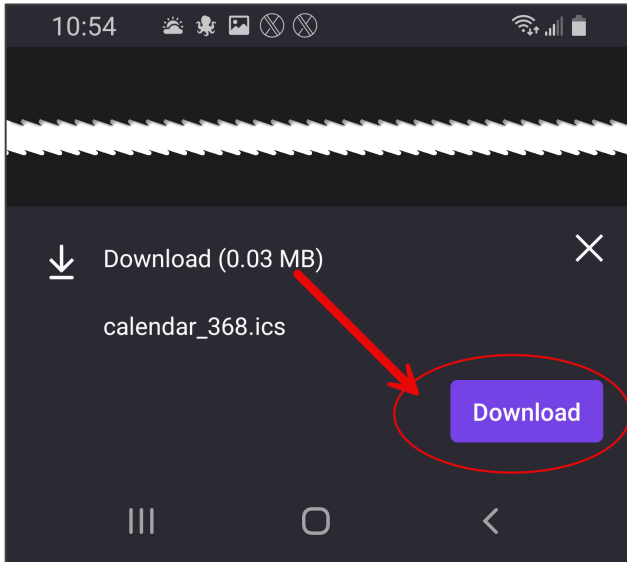

Here's a step-by-step guide on how to add a Google Calendar .ics file to your Android device. I'll also describe how to create the screenshots for each step.

Step 1: Download the .ics File. Using a web browser (Safari, Chrome, Firefox), navigate to the subscription URL listed below for your school site.

School Site	Subscription URL
Anderson Elementary	https://wsdk8us.finalsite.com/calendar/calendar_356.ics
Clegg Elementary	https://wsdk8us.finalsite.com/calendar/calendar_355.ics
DeMille Language Academy	https://wsdk8us.finalsite.com/calendar/calendar_357.ics
Eastwood Elementary	https://wsdk8us.finalsite.com/calendar/calendar_358.ics
Finley Computer Science Magnet	https://wsdk8us.finalsite.com/calendar/calendar_359.ics
Fryberger Elementary	https://wsdk8us.finalsite.com/calendar/calendar_360.ics
Hayden Elementary	https://wsdk8us.finalsite.com/calendar/calendar_361.ics
Land School	https://wsdk8us.finalsite.com/calendar/calendar_363.ics
Meairs Elementary	https://wsdk8us.finalsite.com/calendar/calendar_365.ics
Schmitt Elementary	https://wsdk8us.finalsite.com/calendar/calendar_366.ics
Schroeder College and Career	https://wsdk8us.finalsite.com/calendar/calendar_367.ics
Sequoia Academy Gate Magnet	https://wsdk8us.finalsite.com/calendar/calendar_368.ics
Webber Elementary	https://wsdk8us.finalsite.com/calendar/calendar_370.ics
Willmore Language Academy	https://wsdk8us.finalsite.com/calendar/calendar_371.ics
Johnson Middle School	https://wsdk8us.finalsite.com/calendar/calendar_364.ics
Stacey Middle School	https://wsdk8us.finalsite.com/calendar/calendar_362.ics
Warner Middle School	https://wsdk8us.finalsite.com/calendar/calendar_369.ics

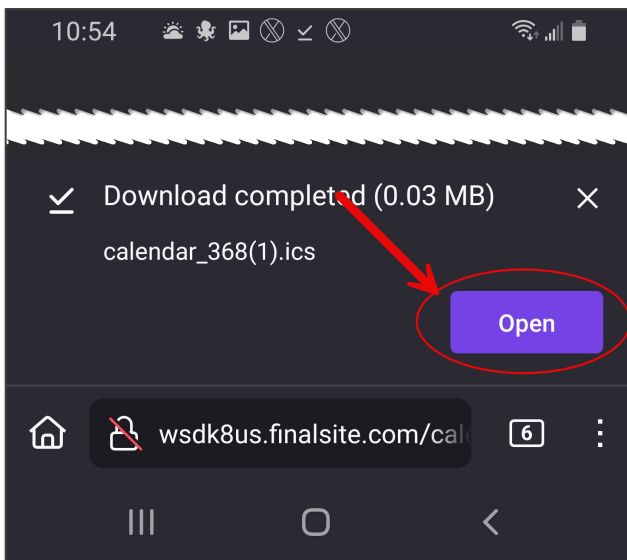

Step 2. Download the file. Select the file link to download it to your Android device.

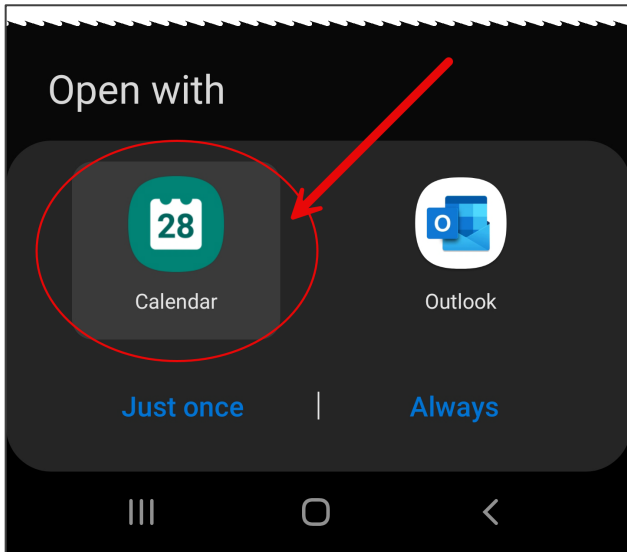

Step 3: Import the .ics File to Google Calendar

- a. After the file has been downloaded to your Android device, select the “Open” icon located in the lower right-hand corner of your screen.

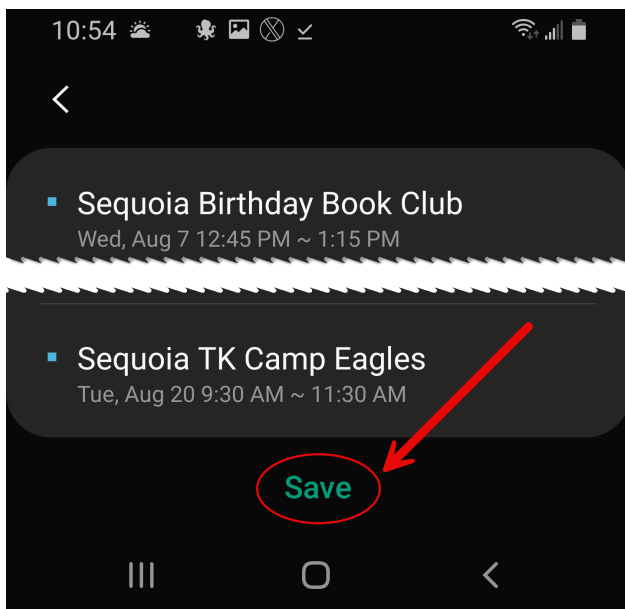

Step 4. On the Open With screen, select the Android Calendar icon located in the lower left-hand corner of the screen.

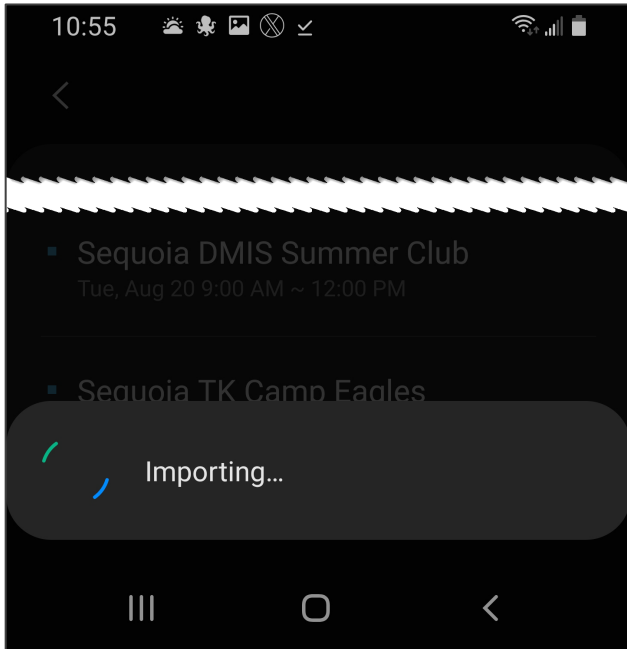

Step 5. The school calendar will now be visible on the screen. Select the "Save" icon at the bottom middle of the screen.

Step 6. After selecting “Save”, the .ics file will import into your Android calendar as shown below.

You have now added the Google Calendar for your child’s school to your Android device. If you experience any issues adding the school calendar to your Android, please reach out to the Instructional Technology Assistant at your student’s school for additional assistance.
