

At Saint Thomas Aquinas, our students are part of a community that offers them a connection to something greater than themselves. Involvement is key to their well-being and sense of belonging, it's what inspires us to create meaningful opportunities for our students to grow and develop their God-given gifts. But we can't do it alone. That's why we're asking for your support.

The Saints Community Fund is our biggest Annual Giving priority because tuition doesn't cover everything in our budget. Your tax-deductible gift allows our students to excel in the classroom, through campus ministry, on the stage, and on the court/field.

Every student benefits from this fund; therefore, participation is essential. If you have never given before, we encourage you to make a gift of at least \$100. Please consider being a part of our Leadership Giving Society with a donation of at least \$1,000 (made by December 31, 2025). Honorees will be recognized at a leadership reception in January 2026, coinciding with the Feast of St. Thomas Aquinas. For gifts of at least \$500, you can also receive two Activity Passes for ALL home games and performances.

Why Giving Matters

Education extends beyond the classroom. Friendships with peers are formed when students are provided opportunities to explore their interests and discover their God-given gifts. Your contribution to the Saints Community Fund helps us carry out our mission of forming students in the Catholic tradition while supporting our goal of building community and fostering relationships across all areas of life.

ATHLETICS

ACTIVITIES

CLUBS

Being involved in sports and clubs has made adapting to high school so much easier because of the many friendships that I have formed through them. There are so many different people at Aquinas with different interests, and without these activities, I wouldn't know many of them as I do now. Through sports and clubs I have learned how to grow in relationship with others, how to serve others, and how to lead. All of these opportunities, have allowed me to experience the fullness of community that Saint Thomas Aquinas has to offer.
