Jillian Klocko
Board Secretary

September 2, 2025

Dear Parent/Guardian,

Please be advised that in the event of a student accident, it is the responsibility of the parent or guardian to cover any expenses related to accidental injury—either through personal insurance or direct payment to healthcare providers.

To assist families, the school district would like to make you aware of a low-cost, school-approved student accident insurance policy that is available for purchase.

Please note that the school district **does not** provide insurance coverage for students. If you do not currently have insurance or the financial means to cover potential injury-related costs, we encourage you to review the Student Accident Insurance information available on our district website:

<http://www.wallenpaupack.org>

If you choose to enroll in this insurance program, please have your child return the completed insurance form and payment to their school. The school will then forward the materials to the insurance company for processing.

We hope this program provides valuable support for you and your family.

Sincerely,

A handwritten signature in blue ink that reads "Kerriann Horan".
