2025-2026 State Assessment Schedule

The assessments on this calendar are either state required, used for accountability purposes, and/or are connected to the TIA program. All assessments on this calendar require strict adherence to applicable test security and confidentiality measures; all teachers and testing staff must be trained and oathed prior to administering any assessments listed herein. All state assessments are administered through Cambium using the Texas Secure browser. Documentation for these assessments will be collected for audit purposes at the end of the school year. Detailed information on the TIA assessments can be found in the TIA Assessment Handbook. For any questions, please contact the Canutillo Testing, Research, & Accountability Office at (915) 877-7434.
