

Option 1 Solution: Additions and Renovations to current Tomah Middle School and Tomah High School Buildings

Estimated Cost: \$120.7 million

This option includes additions and renovations at the current Tomah Middle School and current Tomah High School. The District Office and Robert Kupper Learning Center (RKLC) programs would be relocated to Tomah High School. Tomah Area Montessori School (TAMS) classrooms would move to Tomah Middle School. This saves money over the long term by not having to operate and maintain the current district office, RKLC building, and TAMS building. The district would seek to sell these three buildings.

Tomah Middle School:

- ✓ Tomah Middle School would serve students in grades 5th- 8th. This frees up much needed classroom space at our elementary schools.
- ✓ Add a new commons area that would serve as a cafeteria and new gymnasium (#1). The new gym would include a running track available for community use.
- ✓ Add a new band room and choir classroom with offices, practice room, and storage spaces (#2)
- ✓ Add new classrooms for 5th Grade, special education, small group instruction, and Tomah Area Montessori School Children's House, E1 and E2 classrooms (#3)
- ✓ Renovations to improve the kitchen and serving area (#4)
- ✓ Renovate and improve the locker rooms (5)
- ✓ Renovate Tech ED classrooms (6)
- ✓ Improve playground area adding new turf surface (#7)

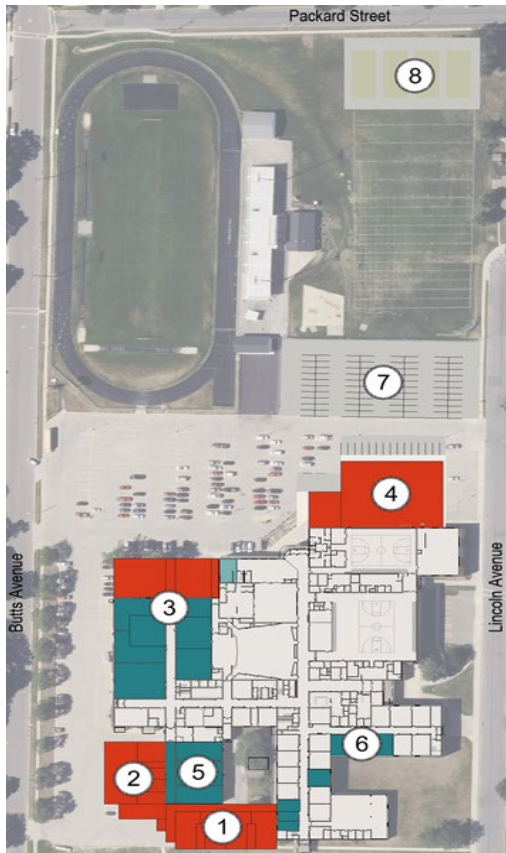

Plan Key:
Existing
Renovation
New Construction

2022-2023 District Facility Usage By Outside Groups

	Approx. # Days/Year	Approx. # Hours/Year
Community For Profit	35 days	157 hours
Community Non Profit	163 days	426 hours
City of Tomah/Tomah Park and Rec	165 days	1071 hours
Youth Clubs	278 days	2359 hours

Tomah High School:

- ✓ Add new classrooms for academics, art, Family and Consumer Science, Tech Ed (Auto Shop) (#1 and #2)
- ✓ Add new classrooms for Band, choir, and Tech Ed (Woods, Metals, and Welding) (#3)
- ✓ Add a new two-court gymnasium (#4)
- ✓ Renovate the Agriculture Science Labs and classrooms to support small group instruction (#5 and #6)
- ✓ Expand the high school parking lot making up for space taken by the addition of the two-court gymnasium (#7)
- ✓ Relocate the tennis courts making up for space taken by the expanded high school parking lot (#8)
- ✓ Robert Kupper Learning Programs and District Offices would be relocated to Tomah High School
