HEAR FROM HAPPY PARENTS

Discover the joy of being a part of our community!

"I appreciate the positive and caring environment APEC provides. I feel much safer with my kids at APEC compared to any other afterschool or summer program."

APEC PARENT @RENAISSANCE

"I mean this in all sincerity. APEC has become an extension of my family. It means so much to me as a single parent to have a place for my children to go where they are safe, valued, and nurtured."

APEC PARENT @WOLFCREEK

"One of the most positive results of my children's participation this year has been, both of my girls have applied most of everything that they learned from APEC they now apply it to their at home lifestyle. The staff at APEC has done a phenomenal job."

APEC PARENT @ CAMPBELL

"[My Child] likes afterschool more than regular school. She really enjoys the activities you all have planned...APEC Buck days on Friday is another highlight for her. Seeing my daughter so happy and excited to attend makes me feel good about her having an extended school day."

APEC PARENT @ GULLAT

"He has a caring circle of adults that reinforce what he's learning at school and home. APEC is part of our village"

APEC PARENT @ STONEWALL TELL

"APEC is a great program and I am absolutely pleased to find such a lovely caring place for my daughter. She loves the food, the games, the staff and she likes to be picked up late so she can be a part of everything that goes on there. Love APEC and love the staff, all so kind and friendly."

APEC PARENT @ E.C WEST

"The way they treat the kids is amazing. The kids never want to go home. All the kids love APEC."

APEC PARENT @ RANDOLPH
