REPORT AN INJURY

EMPLOYEES: If injured, notify your supervisor immediately: when possible, notice should be in writing. Failure to notify your supervisor could result in denial of benefits. Obtain medical care. Your employer must pay for all necessary medical care to treat a workplace injury. The employee may select the physician or medical facility to render care. If the employer is enrolled in an approved Managed Care Plan, employee selection of physicians is limited to the Approved Provider Network, except in certain emergencies. For injuries requiring continuing care, the employee must designate a treating physician. A form to do so will be furnished by your employer or its insurance carrier.

This employer is participating in a Managed Care Plan for medical care. The Managed Care Plan is Occupational Managed Care Alliance (OMCA). For information call 1-800-868-4553 or 1-859-425-7800.

DISABILITY BENEFITS to replace wages lost due to a workplace injury are payable under the Workers' Compensation Act after seven (7) days of disability. A Claim must be filed with the Office of Workers' Claims within two years of the date of injury, or last payment of temporary total disability benefits.
