HOW-TO
DROP-OFF & PICK-UP

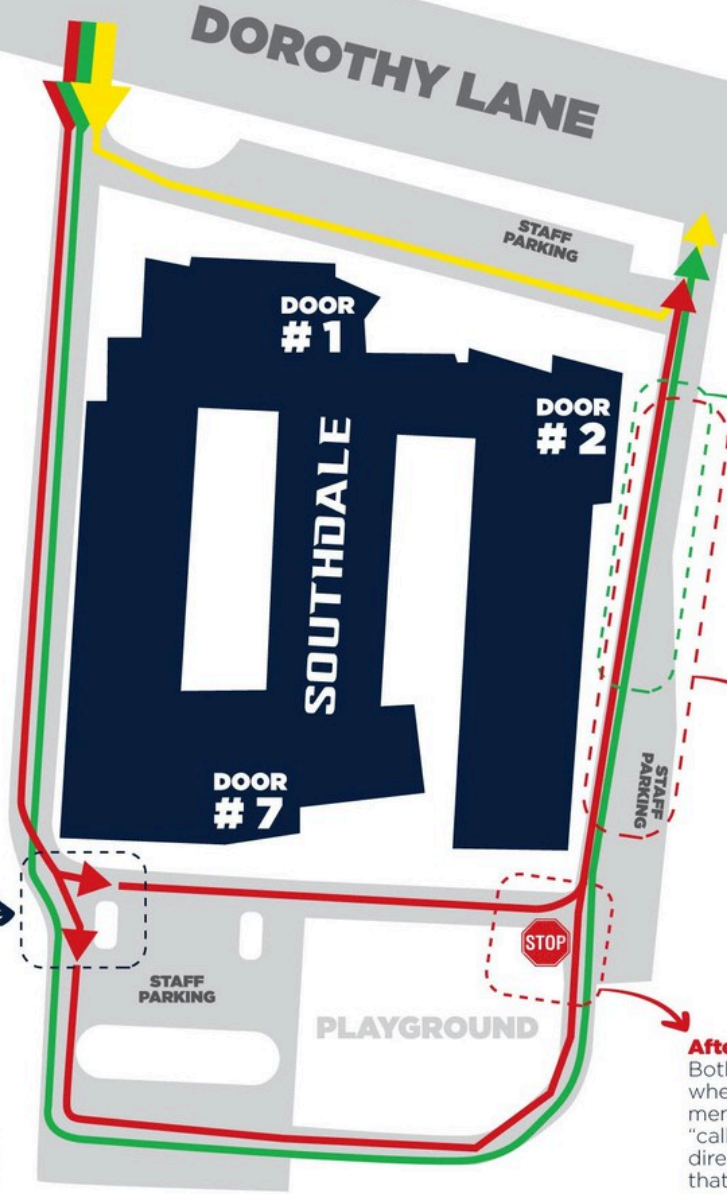

SOUTHDALE

FOLLOW YOUR LINE

BUS LINE ONLY

MORNING / AM Drop-Off

AFTERNOON / PM Pick-Up

IMPORTANT
Morning Drop-off CONTINUES straight and around the backside of the playground.

Afternoon Pick-up SPLITS into two lines, one going past Door 7 and the other going around the playground. Lines are alternated, ensuring efficiency.

Morning Drop-Off
When your vehicle comes to a complete stop within this general area, it is time to begin the unloading drop-off process!

Afternoon Pick-Up
We use numbered spaces along the building to help usher your student to your vehicle.

Utilizing radios, we call out a spot that your car will pull up to and try to have your student waiting there.

Afternoon Pick-Up
Both afternoon lines will stop where they intersect. A staff member will assist with "calling out" spots and directing traffic. This ensures that both lines alternate appropriately.
