

Elementary Shuttle Bus

The shuttle bus will take students from Turnpike Elementary to Rensselaer Park Elementary school. The intent of the shuttle is to assist families who have elementary children enrolled at both buildings. If your child will be taking the shuttle bus, please understand the following:

1. Students who are the shuttle bus riders will be dropped off at Rensselaer Park Elementary School.
2. The shuttle bus will depart Turnpike at 8:40a.m. to take grade 3-5 students to RPES
3. The school district will not transport students who miss the shuttle bus (leaves promptly at 8:40a.m.)
4. Shuttle bus students do not have the option to ride on a part time basis. They will be put on the shuttle bus Monday-Friday.
5. Children who attend Turnpike and ride the shuttle will have a yellow circle bus tag attached to their backpack.
6. Once we have established a normal routine in the afternoon, the shuttle bus should arrive at approximately 3:05pm.
7. If at any point you decide that your child will not be taking the Shuttle Bus the district will require written notification of this change. Until we have written notification , we will continue to board your child on the shuttle bus.
