UPCOMING MILESTONES

- Wrapping up the Riverside renovation.
- Beginning finishing touches on CE & REC renovation.
- Continuing with concrete outside on the addition and completing walls.
- Precast panels will be going up in August.

PROJECT MILESTONES

- All demo is complete in all renovation areas.
- Finished preparation of existing door frames and created new door openings for installation of new doors.
- Demolition in all existing bathrooms has been completed.

SAFETY TOPIC

- Working with concrete can pose safety hazards, primary related to skin irritation from cement. To remove these risks, make sure to wear proper personal protective equipment (PPE). Good examples are wearing gloves, boots, safety glasses/goggles. Additionally, be mindful of slips, trips, and falls due to rebar, formwork, and uneven surfaces.

DISRUPTIONS

- Main CE & REC entrance is now closed, please use the North Riverside entrance.
