Registration and Course Fees

We want to let you know that registration and course fees for middle and high school students will be applied in mid to late August. We will not apply fees before the school year begins.

This timing gives us the opportunity to complete the transition to the new Skyward system and finalize student schedules. By waiting, we can help prevent unnecessary adjustments or refunds due to any schedule changes that may be requested by families at the secondary level.

Please note: Bus transportation fees, if applicable, are handled separately and will continue to be managed and communicated through First Student. If you have questions about bus transportation, you may contact First Student at 913-422-8501.

Bus Transportation

Bus transportation registration for the 2025-26 school year is now open through Skyward Family Access.

> https://skywardq.usd232.org/Student

If your student(s) will require bus service, please complete registration as soon as possible to help us prepare for the upcoming school year.

✔️ Register by August 1 to Start Bus Service on the First Day

To ensure bus transportation is available on the first day of school, registration and payment (if applicable) must be completed by **August 1, 2025**.

Need help logging into Family Access? Use the “Forgot Login/Password” link on the Skyward login page.

Transportation questions? Call First Student at 913-422-8501.

Athletics

Athletics for Mill Creek will begin on August 18th. There is no sign up process - if you are interested in participating, show up on day 1. Athletics are for 7th and 8th grade students only. You must have your physical submitted prior to participation. Cross Country and Football will begin practices on August 18th following school. Volleyball tryouts will begin as well on the 18th and run for the week. These will also be after school. There will be a fall sports meeting on Tuesday, August 26th for XC, FB and VB. Coaches will have additional information prior to that date for those who are participating.

Practice and competition calendars have been updated on the website for all fall sports.
