Facts:

1. Due to the evolving needs of our District and our workforce, a consistent process to manage remote work requests has become necessary.

3. Consistent with policy and the requirement for two readings, the proposed new policy will be included as a singular action consent item on a future board agenda.
4. The policy change was discussed at the July 14, 2025, meeting.

MOTION	SECOND	AYES	NAYS	ABSTAIN

Topic:
 Consider Approval of [MOU Amendment 1](#) Regarding Future Sports Park Improvements and Use

Facts and Discussion:

1. Community Engagement and Partnerships are a stated goal of the District’s Long Range Strategic Plan.
2. The District’s Long Range Facility Planning Committee prioritized additional parking and turf fields as the most pressing improvements needed at Gallatin High School.
3. The City of Bozeman owns the land between Cottonwood and Flanders Mill Roads, north of Oak Street and adjacent to Gallatin High School. Once complete, that property—known as the ‘Sports Park’—will include 80 acres of fully developed spaces including 14-18 full size fields and additional community-based amenities. The City estimates the completed facility will generate approximately \$6.2 million in annual economic impact.
4. City and School District officials believe their respective needs and visions overlap and see the opportunity for synergy between the entities.
5. Trustees approved an initial [MOU](#) and [Letter of Agreement](#) to get the project moving forward on 12/9/2024. The Letter of Agreement included a financial commitment to help move the planning and design process forward.
6. The approved MOU provides for the construction of a 100+ stall parking lot and one synthetic turf field at the Sports Park, north of Oak Street and immediately adjacent to Gallatin High School. In addition, a mid-block pedestrian crossing will be constructed at West Oak Street between Gallatin High School and the Sports Park for the safety of the public and Gallatin High School students and faculty.
7. The City of Bozeman is now at a point in the construction process where the next installment of resources from the District is needed. The amount of the Financial Contribution is limited to the actual cost of the improvement construction, not to exceed \$3 million.
8. The City of Bozeman has prepared [MOU Amendment 1](#) to help take advantage of some time and cost savings, as well as synergy between the District’s proposed turf field, and another turf field being constructed at the Sports Park. The District’s portion of the site work being completed by Field Turf USA, Inc. is \$174,046.11.
9. Future MOU amendments are expected as construction costs and final construction contracts are solidified in the coming months.
10. The revised timeline for the project includes completion of the mid-block crossing by fall 2025, completion of the parking lot by January 1, 2026, and completion of the turf field by August 2026.

Fiscal Impact:

The entire scope of the project is up to \$3 million, High School Building Reserve Transition Levy. The cost associated with MOU Amendment 1 is \$174,046.11, High School Building Reserve Transition Levy.

Superintendent's Recommendation:

It is recommended that the Board of Trustees approve [MOU Amendment 1](#).

Other Alternatives:

1. Do not approve the recommendation.

Topic:

Consider Approval of [BSD7 Trustee Letter](#) Regarding Frozen Federal Funds

Facts and Discussion:

1. Bozeman Public Schools' Title IIA and Title III funds are still being withheld at the federal level. The funds being withheld from our district equate to approximately \$366,925 for 2025-2026, or 4.5 teaching positions.
2. [THIS](#) letter was drafted by Board Leadership in collaboration with the superintendent and is intended to ask for the support of the MT Senators in helping to release these important funds. In addition, the letter calls attention to an ongoing concern related to IDEA funding from the federal government.

Fiscal Impact:

The funds being withheld from our district equate to approximately \$366,925 for 2025-2026.

Superintendent's Recommendation:

It is recommended that the Board of Trustees approve the [BSD7 Trustee Letter](#).

Other Alternatives:

MOTION	SECOND	AYES	NAYS	ABSTAIN

Topic:
Consider Approval of Nonresident Students

Facts and Discussion:

1. The 2023 Montana Legislature passed [HB203](#), which opens nonresident enrollment across Montana’s public schools. The application process for nonresident families wishing to attend a BSD7 school for the 2025-2026 school year was publicized on December 30, 2024, and enrollment applications were accepted through January 31, 2025. Information was provided on the [Enrollment Website](#).
2. Bozeman Public Schools Policy 3141/3141P describes the Nonresident Student Enrollment Policy and Procedures.
3. The District utilizes the [LRSP Open Enrollment Guidance Document](#) for the nonresident student enrollment process.
4. The application review process prioritizes the quality of education for residents, children of District employees, and siblings of current nonresident students.
5. Decisions will be made per [Policy 3141](#) and Section 20-3-320, MCA.
6. Policy 3141 states, “A previously enrolled resident student requesting continued enrollment for the remainder of the current school year as a nonresident student may submit an application at any time during the current school year once a new residence outside the District is claimed as specified by law and this Policy.”
7. Two of the applications included in the action item are for students who recently moved out of the district but wish to remain at their current school for the 2025–2026 school year. The other three applications are from students who recently moved to the area from out of state and missed the original application deadline.
8. Approvals are granted on a year-to-year basis.
9. The superintendent and executive team have prepared [THIS](#) spreadsheet, including de-identified information regarding the student's approval recommendation.

Fiscal Impact:

Tuition receipts as determined by enrollment dates in accordance with HB203.

Superintendent’s Recommendation:

It is recommended that the Board of Trustees approve the nonresident student applications as presented.

Other Alternatives:

1. Do not approve the recommendation.

Topic:

Consider Approval of [Revisions to Legislative Policies](#)

Facts:

1. The MTSBA Policy Services team has prepared necessary updates to the MTSBA Model Policy manual in response to legislation approved during the 2025 Legislative Session. MTSBA policy revisions ensure compliance with changes to law and best practice. Additionally, the District vetted and cross-referenced the MTSBA policy recommendations with recommended policy revisions provided by District legal counsel, Kaleva Law Office.
2. The BSD7 Executive Team has done a crosswalk between the MTSBA Model Policy changes, Kaleva Law Office recommended changes, and current BSD7 policy, making important updates as necessary to 1) ensure legislative changes are updated in BSD7 policy, and 2) ensure BSD7 policies closely mirror the MTSBA Model Policies for ease in maintaining ongoing updates.
3. Because the policy changes are the result of legislative law changes, the Board approval process can be done in one reading as a singular action item, consistent with Policy #1310.
4. The Executive Team has organized the 2025 MT Legislative policy changes by series, and this round of changes includes primarily legislation that had effective dates of on or before July 1, 2025. Future policy changes stemming from the 2025 legislative session are likely.
5. There are a small sub-set of recommended MTSBA policy revisions, not included in this agenda item, that the Executive Team is looking at with greater detail, including working with District legal counsel, SAM, and the AA superintendents, to ensure implementation will not create liability issues for the District as some MT legislation passed during the 2025 session may be in direct conflict with Federal non-discrimination policy and/or the MT Constitution.

Superintendent's Recommendation:

It is recommended that the Board of Trustees approve the [Revisions to Legislative Policies](#) as presented.

Other Alternatives:

1. Do not approve the recommendation and request administration propose changes.

After the Board adopts the final budget in August, the budget document will be posted on the District website. Hard copies of the budget document will be available upon request.

Please note that the budget information to be presented during this discussion item is preliminary. We will review changes at the August 18th Board meeting.

Discuss MTSBA 2027 Legislative Session Resolutions

Facts & Discussion:

1. The aim of the MTSBA resolutions process is to enhance the ability of MTSBA to conduct a platform-building process and to provide the membership with opportunities to bring proposals for consideration by the Delegate Assembly and General Assembly.
2. This process is done in accordance with a procedural timetable which incorporates a two-year cycle of effectively preparing a Legislative platform with ample opportunity for member input on submitted resolutions to maximize member unity on resolutions with the intent of bolstering our chances of success.
3. All submitted resolutions by member districts shall be voted upon by the school district board of trustees, be signed by the board chair, and received by MTSBA via email by 5:00 p.m., on Thursday, September 18, 2025.
4. This board discussion is intended to provide trustees with the following:
 - a. Review of [BSD7 resolution](#) created by trustees for the 2025 legislative session.
 - b. Review the [BSD7 Legislative Priorities](#) for the 2025 legislative session.
 - c. Review current progress and status of the Decennial Study Commission.
 - d. Review topics or specific items of importance to Trustees for inclusion in a MTSBA draft resolution.
5. District administration will take the discussion topics and create a draft MTSBA resolution for possible board action at a meeting in August or September.
