

Get To Know Your Route at Theron Jones Early Literacy Center to Prepare for Back to School Traffic!

Drop-off times are from 7:20 to 7:50 a.m. No students are allowed to be dropped off on 15th Street. There is only one line for drop-offs, and students must be dropped off at the sidewalk and enter through the northwest door. Parents will not be allowed to walk students into the building during drop-off time. After 7:50 a.m., parents must park and walk their student to the front office.

Thank you for helping us keep everyone safe and traffic moving smoothly as we start the new school year!
