SUMMIT HIGH SCHOOL

CLASS OF 2026, 2027, 2028, & 2029

PTSO TEAMS

TEAM-TOGETHER EVERYONE ACHIEVES MORE

An incredible program that allows us to build a strong community relationship within our grade levels and school. Each grade level will have their own TEAM (example, for the 2025-2026 school year, Freshmen are TEAM 29, Sophomores are TEAM 28, etc). There is an annual fee that is included with each TEAM each year.

WHAT ARE THE FEES FOR

Fees are used to purchase small gifts for all the students. Freshman through Junior students will receive two gifts (one per semester) and Seniors will receive 4 gifts (one per quarter). These gifts could range from key chains, lanyards and pens to tumblers, shirts, magnets, food treats and more. All monies leftover at the end of the year will roll over and stay with their TEAM. When a TEAM arrives at their Senior year they will use the fees toward Senior events (senior breakfast, pre-graduation party night, yard signs, etc). The goal is to slowly build their monies from Freshman to Senior year so that we may provide our students with fun activities and give them memories that will last a lifetime. This also eliminates PTSO asking parents for additional monies Senior year for the Senior party as we know the purchasing of cap/gown, invitations and pictures is already an expense.

Each TEAM has a President, a Treasurer and a Secretary, along with Members. These committees plan the gifts, events, etc for their TEAM. Each TEAM will host two staff luncheons and also has a Facebook page!

Also, by joining a TEAM, you are automatically a member of Summit High School's PTSO. So, please consider joining your student's TEAM and remember each year their membership will need to be renewed.

WHEN CAN I JOIN TEAM 26, 27, 28, OR 29

Membership for TEAM's can be purchased NOW for the 2025-2026 school year. Scan the QR code to join TODAY! (note: Senior families, you must be a member of TEAM 26 this year to attend the Senior Party and receive a Senior yard sign at the end of the school year)
