Student Drop-Off Carline (K–8) 2025-2026

(1) Vehicles will enter through the north side of the parking lot.

(2) Vehicles will proceed through the east parking lot.

(3) Vehicles will form two lines and hold at (2) until released by CIJS Staff between 8:30am-9:00am.

(3) During drop-off, both car lines will merge into 1 car line, pulling as far forward as possible at the entrance.

(4) Scholars will exit the vehicle on the passenger side to ensure a safe and controlled drop-off. **ADULTS WILL REMAIN IN THEIR VEHICLES.**

(5) Vehicles will exit through the south side of the parking lot, turning either direction.

(6) It is highly encouraged vehicles exiting to Old Hickory Tree proceed south (right turn) to ensure cars don't clog the drop-off lane.
