

TRANSPORTATION ROUTES AND SERVICES

The Superintendent or designee shall design transportation routes and stops within district boundaries that promote student safety, maximum efficiency in the use of buses, and decreased traffic in and around the schools.

(cf. 3510 - Green School Operations)

(cf. 3514 - Environmental Safety)

(cf. 3540 - Transportation)

The Superintendent or designee shall communicate in writing to parents/guardians regarding bus routes, schedules, and stops. He/she may also arrange for local media to publish such information.

(cf. 1112 - Media Relations)

With the Governing Board's authorization, transportation services may be provided or arranged by the district for:

1. Students traveling to and from school during the regular school day (Education Code 39800)
2. Field trips and excursions (Education Code 35330)

(cf. 3541.1 - Transportation for School-Related Trips)

3. School activities, expositions or fairs, or other activities determined to be for the benefit of students (Education Code 39860)
4. District employees, parents/guardians, and adult volunteers traveling to and from educational activities authorized by the district (Education Code 39837.5)
5. Preschool or nursery school students (Education Code 39800)

(cf. 5148.3 - Preschool/Early Childhood Education)

6. Students traveling to full-time occupational classes provided by a regional occupational center or program (Education Code 39807.5, 41850)

(cf. 6178.2 - Regional Occupation Center/Program)

7. Students traveling to and from their places of employment during the summer in connection with a summer employment program for youth (Education Code 39837)
8. Matriculated or enrolled adults traveling to and from school, or adults for educational purposes other than to and from school (Education Code 39801.5)

TRANSPORTATION ROUTES AND SERVICES (continued)

(cf. 6200 - Adult Education)

9. Private school students, upon the same terms, in the same manner, and on the same routes provided for district students (Education Code 39808)
10. Non-school purposes as allowed by law, such as:
 - a. Community recreation (Education Code 39835)
 - b. Public transportation (Education Code 39841)
 - c. Transportation of government employees to and from their places of employment (Education Code 39840)

Students who attend school outside of their school attendance area or district boundaries may be eligible for transportation services in accordance with district policy.

(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5117 - Interdistrict Attendance)

The district shall provide home-to-school transportation and additional transportation services as needed for students with disabilities as specified in their individualized education program or Section 504 plan. (Education Code 41850; 20 USC 1400-1482; 34 CFR 104.4, 300.17, 300.34)

(cf. 3541.2 - Transportation for Students with Disabilities)
(cf. 6159 - Individualized Education Program)
(cf. 6164.6 - Identification and Education Under Section 504)

Walking Distance to School

The district may furnish transportation to those students involved at the various grade levels who live beyond the distances from the school as listed below. For grades transitional kindergarten through six, these distances shall be measured by using the most direct route from the student's residence to school. For grades seven through twelve, these distances shall be measured by using a radius from the school.

1. All pupils in transitional kindergarten through six – one mile using the most direct route from the student's residence.
2. All pupils in grades seven through twelve – two and one-half miles – radius from the school

TRANSPORTATION ROUTES AND SERVICES (continued)

Consideration for varying these distances shall be given for those students with special medical reasons. This requires a statement from the family doctor with the need explained and the length of time this special transportation will be needed. Medical permits shall be renewed each school year.

All other students living within walking distance may also petition for transportation. Special consideration requests may be submitted and shall be renewed each school year. Special consideration requests shall be submitted using the online form available on the VUSD website and must be submitted no later than September first of the current school year. Approved special consideration requests will be effective on October first of the current school year and must be submitted annually and will not continue past the current school year.

The District may designate certain areas that lie within walking distance from a school as transportation eligible because the area lacks a safe path of travel to the neighboring school.

Walking Distances to Meet Bus on Routes

Bus routes shall be planned to give students the best possible service. Every effort shall be made to locate the bus stops at points where pupils can be loaded and discharged safely and conveniently. In areas where students live close together, they may be required to walk to certain designated bus stops located at intervals along the route. The following is considered reasonable walking distances to meet buses.

1. Students in transitional kindergarten through grade six – ½ mile
2. Students in grades seven through twelve - ¾ mile

The above distances to be measured from the point of entry to privately owned property.

Consideration for varying these distances shall be given for those students with special medical reasons. This requires a statement from the family doctor with the need explained and the length of time this special transportation will be needed. Medical permits shall be renewed each school year.

The Superintendent or designee shall provide transportation to homeless students in accordance with law, Board policy, and administrative regulation. When the student resides outside of district boundaries, the Superintendent or designee shall consult with the superintendent of the district of residence to apportion the responsibility and costs of transportation. (42 USC 11432)

(cf. 6173 - Education for Homeless Children)

The Superintendent or designee shall collaborate with the local child welfare agency to determine the provision, arrangement, and funding of transportation to enable foster youth to attend their school of origin when it is in the student's best interest to do so. (20 USC 6312)
